

HEALTHIER, LONGER,  
BETTER LIVES

# AIA IS GOING GREEN

**At AIA, we're always looking for ways to improve and continue helping you live a healthier, longer, better life.**

Part of this commitment is reducing our impact on the environment. One of the ways we're doing this is by using less paper and communicating more with our customers via email.

So, if you provided us with your email address when you applied for cover, then moving forward, we'll send your policy renewal notice and future communications about your cover via email.

If you'd like to add or update your preferred email address to receive your policy communications via email, please scan this QR code. Alternatively, you can contact our Customer Care Team on 1800 333 613 or email us at [infohub@aia.com](mailto:infohub@aia.com).

Communicating by email helps us become more environmentally friendly whilst ensuring that you're informed of any updates or changes to your cover as quickly as possible.

Don't worry, if you'd like to keep receiving your policy communications by post, just let us know via the contact details below.
