1. Welcome to the Adviser Guide

We've developed this adviser guide as a handy tool for advisers to find out all they need to know about AIA Australia's underwriting guidelines, claims and remuneration procedures. You can also access information through our:

AIA Adviser Portal

The AIA Adviser Portal gives you access to:

- New Business reports
- Policy Services reports
- Operations forms
- Marketing material
- Underwriting forms and guidelines
- Quoting software

You can access the AIA Adviser Portal at adviserretail.aia.com.au

Don't have access?

If you don't have access to the AIA Adviser Portal, the Responsible Individual at your Licensee can arrange this for you.

Forgot your password?

If you've forgotten your password or are having trouble logging into the AIA Adviser Portal, please call our support team on 1800 271 031.

Self Service

The Self Service Portal allows you to make changes to address and payment details directly into your clients' policies.

Any updates to client policies made on the self-service portal go directly into our policy administration system, with no further processing needed.

The Self Service Portal can be accessed via single sign on from the AIA Adviser Portal.

Business Growth Hub

The Business Growth Hub provides you with the tools to build your business and help you make strategic business decisions in the areas of:

- Business Optimisation
- Resource Library
- Specialist Partners (marketing, succession planning, cash flow and budgeting, estate planning, online client engagement tools and referral partner engagement)
- AIA Vitality
- Technical Advice

Target Market Determination

A Target Market Determination is a document which describes who a product is appropriate for (target market), and any conditions around how the product can be distributed to customers.

It also describes the events or circumstances where we may need to review the Target Market Determination for a financial product.

AIA's TMDs can be found [here](#).

Section B – Underwriting Guidelines

1. Underwriting requirements – medical and financial

The underwriting process

Underwriting is the process of ‘selecting and classifying’ risks. The underwriter is responsible for assessing all applications of a potential client based on their financial history, occupation, health and lifestyle. This information will enable the underwriter to make an informed decision as to the client’s suitability for cover.

Underwriting philosophy

At AIA Australia, we aim to keep you and your clients up to date and fully informed about the underwriting process and the decisions we make. We are approachable and happy to discuss the insurance needs of your client with you.

We are committed to the following:

- ‘One bite’ underwriting – asking for all requirements upfront by thoroughly assessing the case the **first** time.
- Assessing these ‘one bite’ applications within 2 days.
- Communicating the underwriting decision when all requirements are received.
- If application is declined, we will discuss with you the alternative options for your client.

We will not always be able to provide terms that are agreeable to your clients, but we are on hand to discuss these decisions with you and provide suitable explanations as to why the decision was made.

Tele-Applications

Our Tele-Application service helps to streamline the insurance application process for you and your client. The service allows your clients to complete the health and lifestyle sections of their insurance application over the telephone.

The adviser is required to complete the quote including the life insured and policy owner details, occupation (past and present), income details, superannuation set-up, payment options and declaration sections of the application in eApp® Express. The adviser then schedules a date and time for the interview to take place, and once confirmed with the client an AIA Australia tele-interviewer will contact the proposed Life Insured to complete the application.

Acceptance

The majority of applications received by us are accepted at standard rates. If we are unable to offer full cover to a client then we may offer alternative terms determined on a case-by-case basis.

2. Medical underwriting requirements

Depending on the size of cover and the age of your applicant, various mandatory medicals and blood tests may be needed. You can choose to arrange the medical requirements on behalf of your clients, or AIA Australia can organise these for you. Any mandatory medical requirements needed will be shown either on the eApp (if submitting an electronic application), or on the quote.

Medical requirements are needed once cover reaches the levels shown below. Medical requirements are based on all existing cover with AIA only.

Life cover and TPD

Medical requirements are needed once cover reaches the levels shown below.

	Age Next Birthday				
	Up to 45	46–50	51–60	61–65	66+
MBA20	\$2,500,001	\$2,500,001	\$1,500,001	\$750,001	\$600,001
Short Medical Exam	\$2,500,001	\$2,500,001	\$1,500,001	\$1,000,001	\$500,001
Stress Echocardiogram	Nil	\$10,000,001	\$5,000,001	\$5,000,001	\$5,000,001
PSA (Males)	Nil	\$10,000,001	\$5,000,001	\$5,000,001	\$5,000,001
Full Blood Count	Nil	\$10,000,001	\$10,000,001	\$10,000,001	\$10,000,001

Note: Where Life and TPD Stand Alone or Life and Universal TPD Stand Alone are both purchased together, the higher sum insured will apply. For Short Medical Exams, completion of AIA's full application is required (including Personal History and Medical History).

Crisis Recovery

Medical requirements are needed once cover reaches the levels shown below.

	Age Next Birthday		
	Up to 50	51–60	61+
MBA20 & Short Medical Exam	\$1,000,001	\$600,001	\$500,001
Stress Echocardiogram	Nil	\$1,000,001	\$1,000,001
PSA (Males)	Nil	\$1,000,001	\$750,001
Full Blood Count	Nil	\$1,500,001	\$1,000,001

Note: Where Life or TPD Stand Alone or Universal TPD Stand Alone is also purchased with any Crisis Recovery benefit, the stricter limits will apply. For Short Medical Exams, completion of AIA's full application is required (including Personal History and Medical History).

Income Protection and Business expenses

Medical requirements are needed once cover reaches the levels shown below.

	Age Next Birthday
	All ages
MBA20 & Short Medical Exam	\$15,001

Note: For Business Expenses Stand Alone, take only half of the sum insured to determine the medical requirements. Where Income Protection and Business Expenses are combined, use half the Business Expenses sum insured, then take the higher of the two benefits to determine the medical requirements.

From 1 October 2021, the availability of Priority Protection Income Protection or Income Protection Accident Only cover is solely limited to customers who already hold Income Protection or Income Protection Accident Only cover under an existing AIA Australia Priority Protection policy.

Such customers may be issued a new policy where it is replacing an existing Income Protection insurance or Income Protection Accident Only, where the requested change is not possible as a variation to the current policy.

Under no circumstances is a change from a non-Agreed Value income protection policy to an Agreed Value policy permitted.

Please refer to Section 5 of the Priority Protection Product Disclosure Statement for more information.

BMI

Medical research indicates that being overweight is associated with an increased risk of a number of diseases and conditions such as heart attack, stroke, diabetes and musculoskeletal disorders.

Body Mass Index (BMI) is a widely accepted way to measure body weight in comparison to height, and is easy to calculate. While healthy BMI ranges vary according to age, a BMI within the range of 20 to 25 is generally considered healthy. A BMI greater than 25 is generally considered overweight.

At underwriting stage, the BMI of a potential client will be assessed and may result in premium loadings being applied. You can complete a pre-assessment with your client prior to underwriting to give an indication of whether BMI loadings may apply.

3. Financial underwriting requirements

Life, TPD and Crisis Recovery

For professional occupation categories A1, A2 or M – Nil financial evidence required up to \$3.5M for Life, \$3M for Total & Permanent Disablement and \$2M for Crisis Recovery. Maximum TPD cover for Own Occupation definition held with AIA is \$3M.

5. Where the financial evidence above is not received at application stage – financial proof of income may be required in the event of a claim.
6. Agreed Value is not available for occupation categories D & E.

4. Proof of income – last 2 years

When requesting proof of income we are looking for consistent earnings history which demonstrate continuity of income over the past few years.

Proof of income is defined as **actual lodged returns submitted to the Australian Taxation Office (ATO) over the last 2 financial years**.

Since incomes can vary each year, (particularly for self-employed clients), we will average the income if high earnings are demonstrated in a single year which is out of line with previous year's income (unless there are particular reasons to base the cover on the most recent earnings). We will, however, consider current figures available not yet lodged to the ATO, provided a statement is received from the insured's income accountant confirming that the figures are the final figures that will be submitted to the ATO.

These figures would be in addition to the actual figures already provided for the past two-year period. (When determining the final benefit allowable, other factors also taken into consideration include; age of the applicant, years in the business, date the business started, any significant fluctuations in earnings etc.) Financial evidence required to verify income includes Individual and Company Income Tax Returns as well as Profit and Loss Statements and Balance Sheets for the last two financial years. Where there are other entities such as Trusts, Income Tax Returns, Profit and loss Statements and Balance Sheets are also required.

6. Agreed Value and Indemnity alterations

Change of Cover Type (Agreed Value, Extended Indemnity, Indemnity, Accident Only Income Protection)

Existing Income Protection (IP) customers can choose to alter their Type of Cover based on the following scenarios.

From	To	Allowed Yes / No
Agreed Value (Commenced PP01)	Extended Indemnity	Yes
	Indemnity	Yes
	Income Protection Accident Only	Yes
Extended Indemnity (Commenced PP15.5)	Agreed Value	No
	Indemnity	Yes
	Income Protection Accident Only	Yes
Indemnity (Commenced PP04)	Agreed Value	No
	Extended Indemnity	No
	Income Protection Accident Only	Yes
Income Protection Accident Only (Commenced PP07)	Agreed Value	No
	Extended Indemnity	No
	Indemnity	No

Requirements:

Medical or financial evidence is not required in the allowed scenarios since the risk to AIA Australia reduces. Cases can be accepted without approval by an underwriter.

Where the Type of Cover is available under the existing policy series, only a request for alteration is needed by the policy owner. However, where the benefit is not available under the existing policy series, a cancel & replace application will be required to access the benefit. For more information, refer to the “Replacement Policy (Cancel and replace) FAQ” section on page 41.

7. Increases and alterations – auto requirements

Important Note:

- From 1 October 2021, the availability of Priority Protection Income Protection or Income Protection Accident Only cover is solely limited to customers who already hold Income Protection or Income Protection Accident Only cover under an existing AIA Australia Priority Protection policy.

Such customers may continue to increase or alter their existing policy in accordance with the terms and conditions of the policy. Customers may be issued a new policy where it is replacing an existing Income Protection insurance or Income Protection Accident Only, where the requested change is not possible as a variation to the current policy.

Under no circumstances is a change from a non-Agreed Value income protection policy to an Agreed Value policy permitted.

- Policies originally accepted on Takeover Terms or Continuation Options:

Please contact our Underwriting team for requirements.

Application for Increase/Addition is needed and Signed quote if applicable

Note: The validity of the Application for Increase/Addition is the same as for normal applications.

Review of existing sub standard terms

a) Loadings

An application for Increase/Additions is needed for all reviews of medical, occupational, residential, avocational premium loadings, in addition to any other medical evidence.

b) Exclusions

An application for Increase/Additions is needed for all reviews of medical, occupational, residential, avocational exclusions including any relevant questionnaires and medical evidence.

8. Pastimes and pursuits

This section is designed to help you in determining whether a particular sport or activity would be likely to incur a loading, exclusion or requirement for special acceptance terms and to also assist in preparing a potential client for the type of cover that is suitable for them.

The table on the following pages illustrates the type of activity, level of participation and possible terms. It is a guide only and each application regarding pastimes and hazardous activities will be based on the information provided in the application.

If an activity is not listed, please contact our underwriting team. Alternatively, the life insured can complete the relevant questionnaire contained in the personal statement.

AIA Australia guidelines – Total & Permanent Disablement (TPD), Income Protection (IP), Business Expenses (BE) and Waiver of Premium (WOP).

9. Mining guidelines

The following guidelines apply to occupations in mines and the oil and gas industry operating in Australia and Australian waters. We will also apply the same ratings to underground and offshore workers unless otherwise specified.

Many jobs within these industries are located in remote areas of Australia. As a result, incomes include; living away from home allowances and penalty rates for the hours worked. This means that these occupations may offer higher than average incomes for the equivalent occupations based in cities and towns. **In all instances completion of AIA Australia's Mining Questionnaire or Oil & Gas Questionnaire is required.**

For these reasons the level of cover for Income Protection CORE may be restricted. (From 1 April 2020 only Indemnity cover is available).

Maximum Monthly Benefits:

No Monthly Benefit restrictions A1/A2/A3/A4/B1/B2/C1/C2

>5 years experience \$7500 D

<5 years experience \$4000 D

Apart from the maximum Monthly Benefit restrictions the normal occupational rules will apply.

TPD Definition	Any Occupation
Maximum Benefit	\$2M

11. Home Duties

The following guidelines apply to applicants undertaking full time unpaid domestic duties in their own residence.

The maximum cover available is \$2M for Life/TPD, \$1M for Accidental TPD and \$1M for Crisis Recovery. Applications for cover above \$1.5M are referred to underwriting for financial assessment.

Cover type:	Ages	Max Sums Insured
Life/TPD	All ages	Up to \$1.5M (all sources)
Crisis (Appln only – auto acceptance)	All ages	Up to \$1M (all sources)
Life/TPD (Refer to UW – all cases)	All ages	>\$1.5M – \$2M* (all sources)

* Subject to financial evidence

12. Alternative terms

Following an underwriting assessment we may, in some instances, offer alternative terms to your clients.

Total and Permanent Disablement

Where we are unable to offer cover under Total and Permanent Disablement, we may offer Accidental Total and Permanent Disablement (Accidental TPD). Please note, Accidental TPD is only available on a Variable age-stepped (stepped) premium structure.

Crisis

Where we are unable to offer cover under our comprehensive Crisis Recovery benefit, we may consider offering your client Crisis Recovery under special acceptance terms which will include some, but not all, of the Crisis Events at a discounted rate. These Crisis Recovery modules and the Crisis Events available in each module are:

- Cancer and Coronary (Cancer Events and Coronary Events)
- Cancer Plus (Cancer Events and Other Serious Crisis Events), and
- Coronary Plus (Coronary Events and Other Serious Crisis Events).

If we offer your client one of the three Crisis Recovery modules, the following Rider Benefits are not available:

- Crisis Extension
- Crisis Recovery Buy-back
- Crisis Reinstatement, and
- Family Protection.

Please note, Crisis Recovery modules are not available with Term Level premium structure.

13. Expatriate cover

Who is considered an expatriate (ex-pat)?

An 'expatriate' for insurance purposes is defined as:

'Those who maintain and continue to hold Australian Permanent Residency or Citizenship status but intend to work overseas for short periods and return to live in Australia in the near future (3–5 years).'

What if the applicant is currently residing outside of Australia?

If the applicant is currently residing outside of Australia, AIA Australia must establish the following:

3. The country where the ex-pat is already working. The financial services regulations around the offering of financial products may not allow for foreign issuers to sell their products in that country. In addition, licensing restrictions on AIA Australia may limit its ability to sell its products to residents outside of Australia. Please contact your AIA Australia underwriter for further details.
4. How long the applicant has been, and how long they will remain, outside of Australia.
5. What the applicant's current or intended occupation is while outside of Australia.
6. The relevant country category from the Department of Foreign Affairs (DFAT). AIA Australia cannot offer any cover to those applicants residing in a DFAT 4 (high-risk country). AIA Australia will consider DFAT 3 countries on an individual basis.
7. Advisers must not actively promote the product offshore by preparing flyers for distribution to their offshore clients, or mine data lists in the offshore countries to promote AIA Australia products (and like activities).

Terms and conditions

Life Cover, Total and Permanent Disablement (TPD), and Crisis Recovery:

1. The applicant must be an Australian citizen or a permanent resident of Australia.
2. The applicant must intend to return within 5 years of leaving Australia.
3. Cover must not exceed \$5 million for Life Cover, \$3 million for TPD (subject to age and occupation) and \$2 million for Crisis Recovery (subject to age and occupation) from all sources.
4. Medicals and blood tests can be performed in Australia or overseas. If performed overseas they must be completed in English using AIA Australia's standard forms (we will reimburse up to the standard Australian fees).
5. All premiums and claims proceeds will be made in Australian dollars.

Income Protection and Business Expenses:

1. The applicant must be an Australian citizen or a permanent resident of Australia.
2. The applicant must intend to return within 3 years of leaving Australia.
3. Minimum 30-day waiting period.
4. Copy of contract outlining length/term of the contract if available.
5. Open ended contracts will be declined until the insured returns to Australia.
6. Medicals and blood tests can be performed in Australia or overseas. If performed overseas they must be completed in English using AIA Australia's standard forms (we will reimburse up to the standard Australian fees).
7. All premiums and claims proceeds will be made in Australian dollars.
8. Special terms apply in the event of a claim overseas, whereby the insured must return to Australia within six months from the commencement of the disablement.

14. Temporary residents

Temporary residents – on medium or long term visas (for 482 or 163 visas greater than 2 years)

These guidelines are only available for lives who have applied for, or are intending to apply for Permanent Residency or Spouse Visa in Australia.

	Occupation Categories A1, A2, M, A3, A4, B1, B2, C1, C2 on a Visa 482 or Spouse Visa	Occupation Categories D, E on a Visa 482 or Spouse Visa	All Occupation Categories on a Visa 163 or Spouse Visa

Forward Underwriting Benefit:	Not available	Not available	Not available

Additional Underwriting Criteria:

- Short term visas under Temporary Skill Shortage (TSS) up to 2 years are not eligible for insurance cover.
- 482 and 163 visas must be long term i.e., greater than 2 years. (For other long term working visas greater than 2 years, please refer to AIA Australia.)
- Application must show life insured has applied for, or is intending to apply for Permanent Residency in Australia.
- A Residential Exclusion will apply for Crisis Recovery, Total and Permanent Disablement and Income Protection CORE benefits.
- Sub-standard lives will be considered on an Individual Consideration basis.
- If no intention to apply for Permanent Residency, please refer to AIA Australia (noting Crisis Recovery, Total and Permanent Disablement and Income Protection CORE benefits are not available).

15. Permanent residency and citizenship

Is the applicant required to be a permanent resident or citizen of Australia to apply for insurance?

To apply for insurance with AIA Australia, the life insured is required to be either:

1. a permanent resident of Australia
2. a citizen of Australia or
3. a New Zealand citizen living and working in Australia permanently (on a 444 Visa)

Temporary residents working and living in Australia who are currently applying, or intending to apply, for permanent residency in Australia may be assessed on an individual basis.

To be eligible for AIA Vitality, the applicant must permanently reside in, or be a citizen of Australia.

16. Forward Underwriting benefit

Forward Underwriting benefit (FUB) allows your clients to use the state of their health at the time of their initial application to secure an option to buy cover in the future when a FUB 'event' occurs.

Section C – Premiums and Premium Discounts

1. AIA Vitality

AIA Vitality is a science-backed wellness program designed to improve and maintain good health.

If AIA Vitality is attached to a Priority Protection policy, an initial discount will be applied to the premium (but not the policy fee) as follows:

- Lump Sum – 17.5%*
- IP/BE – 7.5%

On the first policy anniversary, and every anniversary thereafter, the initial discount can increase or decrease, subject to a maximum of 20% and a minimum of 0%, depending on the level of engagement in the AIA Vitality program.

AIA Vitality Starter[^] members are not eligible for Priority Protection or Priority Protection for Platform Investors AIA Vitality membership discounts. For more information about the AIA Vitality discounts, refer to the AIA Vitality Premium Adjustment rules document on aia.com.au.

A minimum premium applies when AIA Vitality is added to a Priority Protection or a Priority Protection for Platform Investors policy.

The minimum premium is \$540 per year per customer, inclusive of all discounts, loadings, policy fees and stamp duty. The \$540 minimum does not include the cost of the AIA Vitality Contribution Fee. AIA will consider the combined premium for all policies for the same life insured – both in force and new business – when assessing if the minimum premium has been met.

The minimum premium for all individual policies remains at \$300 inclusive of all discounts, loadings, policy fees and stamp duty.

A client may choose to cancel their AIA Vitality membership at any time, at which point all applicable discounts will be removed from the policy and the AIA Vitality Contribution Fee will no longer be charged. If cancelled, the membership can be reinstated in the future. Where a policy has previously received an AIA Vitality discount, the discount percentage on reinstatement will be based on the discount percentage applicable prior to cancellation of the AIA Vitality membership.

* The 17.5% initial lump sum discount is only available for applications on the 7 December 2019 SPDS and after. Policies issued on the 18 May 2019 PDS and prior will only receive a 12.5% lump sum discount.

[^] AIA Vitality and AIA Vitality Starter are provided by AIA Australia. Access to the AIA Vitality or AIA Vitality Starter program arises under and is subject to the AIA Vitality Terms and Conditions. AIA Vitality and AIA Vitality Starter partners, benefits and rewards are subject to change at any time. For the most up-to-date information and to view the AIA Vitality Terms and Conditions, see aia vitality.com.au. Additional program partner terms and conditions may apply.

2. Health and Life discount

AIA Health comes with access to AIA Vitality, where your small steps towards a healthier life can lead to great rewards.

AIA Health helps advisers support their customers in a new way, by referring your clients for an obligation free health insurance review. AIA Health will provide your client with a comprehensive comparison of their current health cover and either advise them to stay with their current fund or provide a tailored quote.

If the Life Insured is also insured under an AIA Health policy, the premium in relation to the Policy (exclusive of stamp duty, premium frequency charge, health loadings and policy fee) may be discounted by 5% as long as AIA Vitality remains attached to the AIA Health policy.

3. Healthier Life Reward

Healthier Life Reward allows additional premium savings to new customers who meet Healthier Life Reward criteria*:

- Non-smoker
- BMI of 18-26 inclusive
- No medical loadings or not on Crisis Recovery restricted to a Crisis Recovery module (Cancer and Coronary, Cancer Plus or Coronary Plus)
- AIA Vitality member

Immediate savings:

- An increase in Bundle Discount from 10% to 17% and Lump Sum Bundle discount from 4% to 8%
- 2% reduction to Lump Sum premium rates

Long-term savings:

- Half of the AIA Vitality initial discounts are locked in for Lump Sum and IP/BE benefits (minimum 8.75% Lump Sum discount and 3.75% IP/BE discount instead of 0% due to the flexing from the level of engagement in the AIA Vitality program)

* This is a summary only. For full details of the benefits, qualifying criteria and terms and conditions of the Healthier Life Reward, please refer to the PDS.

4. Bundled discount

If your policy includes:

- one or more 'Required Income Protection Plans' (as described in the table below) with a total combined premium for all 'Required Income Protection Plans' of \$700# or more per year; and
- one or more 'Eligible Lump Sum Plans' (as described in the table below) with a total combined premium for all 'Eligible Lump Sum Plans' of \$700# or more per year,

then the Eligible Lump Sum Plan(s) premium will receive the Bundled Discount of 10% (or 17% where a policy eligible for Bundled discount is also eligible for Healthier Life Reward).

Required Income Protection Plans

- Income Protection
- Income Protection CORE
- Business Expenses
- Superannuation Income Protection
 - including Super Extrasv

Eligible Lump Sum Plans

- Life Cover
- Crisis Recovery Stand Alone
- Superannuation Life Cover
 - including Superannuation PLUS
 - including Maximiser

For example, where your policy includes an Income Protection Plan with an annual premium of \$750 and a Life Cover Plan with an annual premium of \$1000, the premiums relating to your Life Cover Plan will be discounted by 10%. However, the discount would end if the Income Protection Plan was cancelled, expires (or is otherwise terminated) or if the premiums from the Required Income Protection Plans or Eligible Lump Sum Plans fall below the required \$700 annual premium threshold.

Excluding Stamp Duty, Policy Fee, AIA Vitality Contribution Fee, AIA Vitality Discount, Health and Life discount and Term Level loyalty discounts.

5. Lump Sum Bundled discount

If the life insured holds all of the Lump Sum Covers (as described on the table below), each with a premium of \$400[^] or more per year, then the Lump Sum Cover premiums will receive the Lump Sum Bundled discount of 4% (or 8% where a policy eligible for Lump Sum Bundled discount is also eligible for Healthier Life Reward).

Only one of either the Lump Sum Bundled discount or the Bundled discount will apply at any time. If you qualify for the Bundled discount, then only the Bundled discount (10%) will apply, even if you also qualify for the Lump Sum Bundled discount.

* The premium for Family Protection attached to Crisis Recovery or Double Crisis Recovery riders to Life Cover, will count towards the Life Cover threshold.

The discount will end if you no longer hold all three Lump Sum Covers because the cover is cancelled, expires (or is otherwise terminated) or if the premiums fall below the required \$400 annual premium threshold for any of the Lump Sum Covers.

[^] Excluding Stamp Duty, Policy Fee, AIA Vitality Contribution Fee, AIA Vitality Discount, Health and Life discount and Term Level loyalty discounts.

6. Multi-plan discounts (for policies inforce between 1/12/2008 and 12/12/2015)*

If your client is the life insured under multiple plans and at least 2 of these plans have premiums of \$500 or more per year, the plans will be eligible for a multi-plan discount as outlined in the table below:

Number of plans with premiums \$500 or more per year.	Premium discount
3 or more plans	10%
2 plans	5%
1 plan	Nil

This discount does not apply to any policy fee that applies to your client's policy. If your client qualifies for a multi-plan discount, the discount will apply to all plans under the policy, including plans with premiums of less than \$500 per year.

If a policy includes two qualifying plans, a 5% premium discount will apply; if a policy includes three or more qualifying plans, a 10% premium discount will apply.

The minimum yearly premium of \$500 will apply to Variable age-stepped (stepped), Optimum and Variable (level) premium cases for qualification purposes.

A plan may change from being a non-qualifying plan to a qualifying plan as a result of the premium increasing due to a CPI increase (Variable age-stepped (stepped), Optimum and Variable (level) premium bases), an increase in the age of the life insured (Variable age-stepped (stepped) and Optimum premium bases), the addition of a new benefit or the voluntary increase in a benefit at the next policy anniversary. Conversely, the deletion of a benefit from a qualifying plan or the voluntary decrease in a benefit under a qualifying plan may result in the plan being re-classified as a non-qualifying plan.

Where the addition or deletion of a benefit or the voluntary increase or decrease in a benefit occurs during a policy year and results in a change to the plan's qualifying status, then the multi-plan discount will change from the effective date of the change in benefit (e.g. the voluntary increase in a benefit or the addition of a new benefit).

We can vary at any time the rules for this premium discount, including the discount percentages, for both new policies and policies in-force at the time of variation.

* Multi-plan discounts will apply across multiple policies where they are Priority Protection policies issued between 1 December 2008 and 12 December 2015.

Qualifying plans

The multi-plan discount applies to the following qualifying plans:

- Life Cover Plan
- Crisis Recovery Stand Alone Plan
- Income Protection Plan
- Business Expenses Plan
- Superannuation Life Cover Plan
- Superannuation Income Protection Plan

Please note: the multi-plan discount can be applied to a benefit such as the Accidental Death benefit or the Total and Permanent Disablement Stand Alone benefit under the Life Cover Plan even if the Life Cover benefit isn't purchased.

The multi-plan discount **doesn't** apply to the following:

- When two or more of the same qualifying plan are purchased with the same life insured e.g. Two Life Cover Plans each with a Life Cover sum insured of \$500,000 on the same life insured are treated as one qualifying plan and not two. Please note: the premiums are combined to determine eligibility for the multi-plan discount if other possible qualifying plans are applied for.

7. Premiums

The premiums your client pays may depend on their age, sex, smoking status, occupation category, pastimes, waiting and benefit periods and state of health.

8. Premium bases

When applying for cover your client can select from one of four premium bases.

Variable age-stepped (stepped)	Your client's premium rate will increase at each Policy Anniversary in line with their age until the benefit Expiry Date.
Variable (level)	The Variable (level) premium option means your premiums will be based on the current premium rate applicable to your age at the start of the policy. At the Policy Anniversary prior to your 65th or 70th birthday, if cover continues, your premiums will then convert to Variable age-stepped (stepped) and be payable until the Expiry Date of the benefit. The minimum age entry for this option is age 35 years next birthday.
Term Level	<p>Effective 15 October 2023 the Term Level premium option is no longer available for new policies. Your existing clients with Term Level premium policies are not impacted by this change.</p> <p>The Term Level premium option means your premiums will be based on the current premium rate applicable to your age at the start of the Policy for an initial 5, 10 or 15 year term. After this time, their premiums will default to a Variable age-stepped (stepped) premium basis until the benefit Expiry Date and they may also receive a discount on their Variable age-stepped (stepped) premium of 2.5% or 5% (see the Loyalty discount section on page 33).</p> <p>The Term Level premium pattern is available for the following benefits under the Life Cover Plan and Superannuation Life Cover Plan:</p> <ul style="list-style-type: none"> • Life Cover • Total and Permanent Disablement • Total and Permanent Disablement Buy-back • Crisis Recovery (Life Cover Plan only) • Crisis Extension (Life Cover Plan only) • Crisis Recovery Buy-back (Life Cover Plan only) • Crisis Reinstatement (Life Cover Plan only) <p>including where those benefits are taken out through Superannuation PLUS or Maximiser, as applicable.</p>
Optimum	<p>Your client's premium will commence on a Variable age-stepped (stepped) basis and automatically convert to the Variable (level) basis once the Variable age-stepped (stepped) premium rates are greater than the Variable (level) premium rates. Variable (level) premiums will be based on the current premium rate applicable to your age at the start of the Policy until the earlier of the Policy Anniversary prior to your 65th birthday or the Expiry Date of the benefit. This option is available only when the life insured is age 35 years next birthday or older.</p> <p>A loading according to your client's age at inception of their Optimum premium basis will be charged up until the earlier of the Policy Anniversary prior to their 65th birthday or the Expiry Date of the benefit.</p>

9. Altering a premium pattern

Your clients are able to alter their premium structure at any time without needing to cancel-and-replace their Policy except in the following instances:

- Switches to and from Term Level, including switches from Term Level to another Term Level premium structure (for example, 5 year Term Level to another 5 year Term Level or a 10 year Term Level), and
- Switches between 'Variable (level) to Age 65' and 'Variable (level) to Age 70'.

Premiums will be subject to the rates applicable to your client's age at the time of the alteration in premium structure.

10. Minimum premium

The minimum premium is \$300 per year per policy. This includes the premium for all benefits chosen, the policy fee, any premium frequency charge and any stamp duty.

11. Initial selection discount

All eligible policies purchased on a Variable age-stepped (stepped) premium basis can receive a discount for the first 2 years of the policy. Applicable to new insurance cover only (not cover that is cancelled and replaced).

The discount will halve from the first Policy Anniversary and will decrease to zero from the second Policy Anniversary onwards.

12. Loyalty discount (Term Level premium patterns only)

Effective 15 October 2023 the Term Level premium option is no longer available for new policies. Your existing clients with Term Level premium policies are not impacted by this change.

All benefits purchased on a Term Level premium basis will receive a 2.5% loyalty discount at the end of their initial term when the premiums convert to Variable age-stepped (stepped).

The discount will apply to that benefit until its Expiry Date. If you cancel and replace a Priority Protection policy described in a product disclosure statement dated earlier than the PDS prepared 8 May 2021 (version 22), the loyalty discount described in the product disclosure statement of your replacement policy will not apply and the terms of the loyalty discount (if any) that your replacement policy is eligible for will be as described in that earlier product disclosure statement. If the policy being replaced had already qualified for a loyalty discount in accordance with the terms of the earlier product disclosure statement then that discount will continue to apply to your replacement policy.

If you cancel and replace a Priority Protection policy described in a product disclosure statement from the PDS prepared 8 May 2021 (version 22) onwards, the loyalty discount described in the earlier product disclosure statement will not apply to the replacement policy and the terms of the loyalty discount (if any) which is available in relation to the replacement policy will be as described in the product disclosure statement applicable to that replacement policy.

Please note that only one loyalty discount will apply at any time. The loyalty discount will not apply to any new benefits added or any increases in risk or sums insured (excluding benefit indexation increases) after the initial term.

13. Large sum insured discount

Your client may be eligible for a premium discount at the time the policy is taken out.

If your client adds a new benefit or increases the sum insured for an existing benefit at a later stage and are eligible for a large sum insured discount in respect of the new benefit or the increased portion on the sum insured (as applicable), the discount will only apply to the new benefit or increased portion.

The large sum insured discount on your client's original sum insured will not be changed following an increase in the sum insured or the addition of a new benefit.

Please note that a large sum insured discount does not apply to the policy fee or other charges.

To find out if your client is eligible, please refer to the tables below.

Life Cover and Term Cover benefit

The discounts below apply to the Life Cover and Term Cover benefits only.

Sum Insured	Large Sum Insured discount for all ages
Up to \$249,999	0%
\$250,000 to \$499,999	10%
\$500,000 to \$749,999	20%
\$750,000 to \$999,999	26%
\$1,000,000 or greater	30%

Please note that the large sum insured discount is not available for the Accidental Death benefit.

Crisis Recovery Stand Alone benefit*

Sum Insured	Large Sum Insured discount for all ages
Up to \$299,999	0%
\$300,000 to \$499,999	3%
\$500,000 or greater	5%

* Note these discounts are based on the combined Crisis Recovery Stand Alone and any attached Crisis Extension sum insured and are applied to the premiums for both benefits.

Income Protection and Business Expenses Plan

Sum Insured	Large Sum Insured discount for all ages
Up to \$3,999	0%
\$4,000 to \$9,999	7.5%
\$10,000 or greater	10%

The same large sum insured discounts will apply to the Claim Escalation benefit, PLUS Optional benefit¹, Advantage Optional benefit and Day 1 Accident benefit¹ when selected.

1. Only relevant to existing Priority Protection Income Protection or Income Protection Accident Only cover held under an existing AIA Australia Priority Protection policy.

14. Payment of premiums

Premiums can be paid monthly, half-yearly or yearly. Premium payments made more frequently than yearly are subject to a premium frequency charge that will be included in your total premium. The premium frequency charge also applies to the policy fee.

Premium payment frequency	Charge as a percentage of yearly premium
Yearly	0%
Half-yearly	5%
Monthly	8%

15. Premium payment methods

Your client can pay their premiums by Mastercard, Visa Card, Diners Card and American Express or via Direct Debit from their financial institution. BPAY and Post Billpay are available for future half-yearly and yearly premium payments only. The deposit premium must be paid in advance and submitted together with the application form.

Partial Rollover from an external superannuation fund (including SMSFs)

Yearly or half-yearly premiums for cover under the Superannuation Life Cover Plan or Superannuation Income Protection Plan can be paid via a partial rollover from an external superannuation fund.

The 'AIA Insurance Super Scheme No2 – Request and Authority to transfer superannuation benefits' form must be completed. This form will initiate the exact rollover amount required from the client's transferring fund for initial and renewal premiums.

Note: On receipt of a valid rollover request form, where the SMSF details (fund name and ABN), the electronic service address (ESA) of the SMSF and the SMSF bank account details have been provided, AIA will send an electronic notification to the SMSF using the SuperStream standard.

For more information about setting up an ESA it is available on the ATO website. <https://www.ato.gov.au/super/superstream/self-managed-super-funds/electronic-service-address/>

Super Tax Rebate

A benefit of your client paying their premiums via a Partial Rollover is that they only contribute 85% of their insurance premium (via rollover payment or transfer) and the 15% Super Tax Rebate available through the AIA Insurance Super Scheme No2 will cover the remaining 15%. Your clients get the full saving upfront when paying by rollover or transfer which means there's no refunding or messy crediting to their account. If your client pays their premiums by rolling over or transferring amounts from an untaxed complying superannuation fund (for example, constitutionally protected funds) yearly or half-yearly in advance, they will need to rollover or transfer 100% of the premium requested by AIA Australia in connection with their cover. This is because the Trustee receives a tax deduction for premiums paid under the Superannuation Life Cover Plan or Superannuation Income Protection CORE Plan which offsets the tax payable by the Scheme on their untaxed roll-in/transferred amount.

16. Guarantee of continuation for Variable (level) premium

Life Cover Plan, Crisis Recovery Stand Alone Plan and Superannuation Life Cover Plan – This guarantee applies only to benefits continuing beyond the life insured's 65th or 70th birthday. Where the policy has remained in force to the latest policy anniversary prior to the life insured's 65th or 70th birthday, these benefits (excluding the Needlestick Injury and Family Protection benefits) will continue on a Variable age-stepped (stepped) premium basis until the expiry date of the benefit. The Variable age-stepped (stepped) premium will reflect the life insured's age at each policy anniversary, sex and smoking status and original terms of acceptance of the benefits. For the Needlestick Injury and Family Protection benefits, premiums will instead continue on a Variable (level) premium basis until the expiry date of the benefit.

Effective 15 October 2023 Accidental Death and Accidental TPD are only available on Variable age-stepped (stepped) premiums.

17. Premium guarantees

The premium rates under the policy are guaranteed for at least two years from policy commencement date. We guarantee that any premium rate increase will not take effect in respect of a benefit until the second anniversary of the policy commencement date or the next policy anniversary following the latest increase in the table of premium rates for that benefit, if later.

Commencing 14 August 2022, Income Protection CORE policies with a 2 year or 5 year benefit period are available with a 5-year premium guarantee period.

Commencing 15 October 2023, all Variable (level) premium benefits, including lump sum and Income Protection CORE are also available with a 5-year premium guarantee period.

This premium rate guarantee does not apply to any standard increases (e.g. age based or CPI increases, alterations, premium frequency charge increases or reductions in discounts) or a policy that replaces a cancelled policy.

If an existing Policy is altered or cancelled and replaced with another Priority Protection Policy, the premium rate guarantee period does not restart from the date of the alteration or replacement.

The start of the premium rate guarantee period will be considered to be the date the original cover commenced (on the current Policy if an alteration or the replaced Policy if a replacement).

If the premium rate guarantee period has not already ended by the date of the alteration or Policy replacement, the premium rate guarantee will continue for any remaining duration from the date of the alteration or Policy replacement.

Notwithstanding the premium rate guarantee period, the premiums may be varied from time to time after the end of the premium rate guarantee period. Different premium rates apply to males and females, to smokers and non-smokers and to different occupations. The premium rates for Priority Protection allow for the cost of insurance and our expenses, including commission payable to an adviser.

Premium rates may not be altered individually but only for all policies in a group. Your client's policy cannot be singled out for an increase.

18. Premium and Cover Pause

To support instances of financial hardship, Priority Protection policyholders with eligible policies can apply for their policy's premiums (including policy fee) and cover to be temporarily suspended for a period of 3, 6 or 12 months in certain circumstances (for example unemployment or Death of a Spouse, partner or child).

The maximum, total cumulative pause period available is 12 months per policy. Cover cannot be reinstated during a Premium and Cover Pause period.

Both during the Premium and Cover Pause period and any subsequent period after premiums and cover have recommenced, the policyholder will not be eligible to claim for any sickness, injury, specified medical event, death or any other event (including signs, symptoms or diagnosis of such Illness, Injury or condition) that occurred for the first time during the Premium and Cover Pause period.

During a period of Premium and Cover Pause, any AIA Vitality contribution fee linked to the policy will also be paused. AIA Vitality membership will however not be suspended, and the Life Insured will be able to enjoy benefits available under the AIA Vitality programme during the pause period (to a maximum period of 12 months).

Renewal commission will cease until the recommencement of premiums following the end of the Premium and Cover pause period.

For full details of the Premium and Cover Pause Benefit, please refer to the PDS.

19. Policy fee

Only one policy fee is charged per year, per life insured regardless of the number of plans, benefits or policies purchased. The policy fee is currently \$103.71 per year.

This fee is charged in addition to the premiums applicable per benefit and any other fees and charges that apply to your client's policy.

The policy fee will automatically increase each year effective from 1 October by the percentage increase in the Consumer Price Index (CPI) over the 12 months ending on the latest 30 June prior to the effective date of the increase in the policy fee (1 October). There will be no more than one policy fee increase in a year. The policy fee applicable to a policy will increase from the first policy anniversary date on or after the effective date for the increased policy fee.

The policy fee will be subject to any premium frequency charge applicable and may be subject to any stamp duty applicable to your client's policy.

We may vary from time to time the method and rules we use to determine the timing and amount of any change in the policy fee. Your client will be notified of any variations as required by law.

20. Government stamp duty

Stamp duty is an additional charge under the Crisis Recovery Stand Alone Plan, Income Protection Plan (Agreed Value or Indemnity), Business Expenses Plan and the Total and Permanent Disablement Stand Alone benefit or rider under the Life Cover Plan and the Superannuation Life Cover Plan.

Stamp duty is a government charge that varies depending on the state or territory where the life insured resides. Stamp duty is calculated as a percentage of the total premium, including the policy fee and any premium frequency charge. The government may change the rate of stamp duty from time to time.

Section D – Modified Underwriting (Takeover Terms)

For the replacement of policies within the parameters below.

Your client's existing policy/policies with another insurer must be for the same cover* and must have been fully underwritten (previous application form and standard health and medical evidence requirements), within the last 5 years.

- The Modified Underwriting (Takeover Terms) form is to be used to transfer insurance cover from another insurance provider to one of AIA Australia's Priority Protection insurance plans.

	Life Cover	Total and Permanent Disablement	Crisis Recovery	Income Protection CORE	Business Expenses
Criteria					
Maximum Sum Insured (total cover of all policies with AIA Australia)	\$3M	\$2M	\$1M	\$10,000 ¹	\$20,000
Maximum Age (age next birthday)	60	55	55	55	55
Loadings & Exclusions	Up to +50% (health)	Up to +50% or 1 exclusion (health)	Up to +50% or 1 exclusion (health)	Up to +50% or 1 exclusion (health)	Up to +50% or 1 exclusion (health)

Underwriting requirements

To enable your client's application to be processed:

- Complete the short form Application for Priority Protection, and complete the questions on the Modified Underwriting (Takeover Terms) form (if applicable);
- Provide a copy of your original policy schedule(s) for your existing policy/policies; and
- Provide documentation such as a renewal notice, showing that the life insured is currently covered by that/those policy/policies.

NOTE: If you are using Takeover Terms to replace an Income Protection policy, be sure to consider if you are replacing an old IDII policy with a new IDII and whether there are any implications for the client around this change.

* From 1 October 2021, all Income Protection issued under takeover terms will be issued under Income Protection CORE.

¹ For Income Protection cover between \$10,000 – \$15,000 the Priority Protection Application Form must be completed. In addition, your client will need to undertake a Short Medical Exam for:

- cover between \$12,501 – \$15,000 if their age next birthday is 45 years or younger; or
- cover between \$10,001 – \$15,000 if their age next birthday is between 46 and 55 years old (inclusive).

Exercising Guaranteed Future Insurability / Salary Increase Benefit

A completed Guaranteed Future Insurability application form from the policy owner is required with proof of the Personal or Business event that has occurred. The application must be submitted within 60 days after the occurrence of a personal event, and within 60 days after the first policy anniversary following a business event (where applicable).

3. Change of ownership

To effect a change in ownership of a policy, the current policy owner and the new policy owner must complete a MOT.

In all instances, when changing ownership between Super and Ordinary policies or vice versa, a new policy will need to be issued and therefore a new application is required and a completed MOT will not suffice.

Please refer to the below table for all requirements:

NOTE: Where an MOT is indicated for change of ownership, a Cancel & Replace application cannot be used.

Where a new application is required policy owners must cancel their existing policy and replace it with the most current product. If the policy being replaced is a Priority Protection product and if there is no further increase in risk to the policy, no underwriting is required.

4. Replacement Policy (Cancel and Replace) FAQ

What is a Replacement Policy?

A Replacement Policy is a policy that is issued to replace an existing AIA policy without full underwriting.

The issue date of the Replacement Policy must be no earlier than the cancellation or termination date of the policy being replaced (i.e. 'old policy').

When can a Replacement Policy be issued?

The cancellation and replacement of an existing AIA Priority Protection Policy is only available if the cancellation and replacement is being performed to facilitate a change which is not possible as an alteration to the existing Policy.

Who decides it is a Replacement Policy?

AIA Australia will decide if a particular policy is a 'Replacement Policy'. If the application for a replacement policy is accepted, the Retail Administration team will be notified of this decision and commissions will be adjusted accordingly.

Important information relating to the alteration of existing AIA Priority Protection Income Protection and Income Protection Accident Only policies.

AIA Priority Protection Income Protection and Income Protection Accident Only policies are not open to new business following the implementation of the APRA IDII Guidelines.

Customers may continue to increase or alter their existing policy in accordance with the terms and conditions of the policy. Customers may be issued a new policy where it is replacing an existing Income Protection insurance or Income Protection Accident Only, where the requested change is not possible as a variation to the current policy.

For reference, please refer to the tables below for a list of benefit features and when they were introduced.

Cover Type/Benefit Period	Product Series Cover Type/Benefit Period Commenced
Indemnity	PP04
Extended Indemnity	PP15.5
Accident Only Income Protection	PP07

2 Year Benefit Period To Age 70	PP07

Optional Rider Benefit	Product Series Optional Rider Benefit Commenced
PLUS Optional	PP04
Advantage Optional	PP12
Lump Sum IP	PP13
Retirement Optimiser	PP13
Day 1 Accident	PP13
Claims Escalation	PP01
Benefit Indexation	PP01
Super Extras	PP14

Under no circumstances is a change from a non-Agreed Value income protection policy to an Agreed Value policy permitted.

Detailed information on the replacement of existing Priority Protection Income Protection and Income Protection Accident Only plans is available in Section 5.3 of the Priority Protection Product Disclosure Statement and Sections 16 to 18 of the associated Incorporated by Reference material. Please note this information is not relevant to the cancel and replacement of any other AIA Priority Protection benefits including Income Protection CORE.

How do commission rules apply to a Replacement Policy?

Commission is payable on the Replacement Policy in accordance with the table below.

Any new business commission paid on the old policy may be subject to claw back in accordance with the Distribution Agreement.

	New Business Commission	Renewal Commission
Old policy in-force <10 years	<p>Equal to:</p> <ul style="list-style-type: none"> i if the sum insured for the Replacement Policy is greater than the sum insured for the old policy, the amount by which Replacement Policy premium exceeds old policy premium as a result of the increase to sum insured multiplied by rate of new business (Year 1) commission applicable at time of issue of Replacement Policy; plus ii any amount of Commission clawed back on the old policy as a result of the old policy's cancellation and replacement with the Replacement Policy; plus iii Replacement Policy premium multiplied by the rate of trail (Year 2+) commission applicable at time of issue of the old Policy, <p>provided that the aggregate payment will be no greater than the Replacement Policy premium multiplied by the rate of new business (Year 1) commission applicable at issue of Replacement Policy.</p>	<p>Paid on Replacement Policy premium at the lower of the rate of trail (Year 2+) commission applicable at time of issue of the old Policy and the renewal commission rate applicable at the time of the Replacement Policy issue.</p> <p>Note: Any renewal commission paid on additional benefits or increases to the sum insured after the replacement policy is issued will be calculated using the renewal commission rate applicable at the time of issue of the addition or increase.</p>
Old policy in-force ≥10 years	Paid on Replacement Policy premium multiplied by rate of new business (Year 1) commission applicable at time of issue of Replacement Policy.	Paid on Replacement Policy premium at the rate of trail (Year 2+) commission applicable at time of issue of Replacement Policy.

If:

- the commission type chosen under the old policy was Upfront or Hybrid, the Upfront year one commission rate applicable at the time of the Replacement Policy issue (based on the premium discount chosen, if any) will apply to the Replacement Policy;
- the commission type chosen under the old policy was Level, the Level year one commission rate applicable at the time of the Replacement Policy issue (based on the premium discount chosen, if any) will apply to the Replacement Policy; and
- the +5% Premium Increase for Upfront or Hybrid commission was chosen under the old policy, the Standard Premium Discount for the Upfront year one commission rate applicable at the time of the Replacement Policy issue will apply under the Replacement Policy.

Examples – Calculating Replacement Policy Commission

In the following three examples it has been assumed that the old policy being replaced has been in-force for at least 24 months and that no additions had been made to the old policy within 12 months of the cancellation of the old policy.

Example 1: Sum insured for new policy (Replacement Policy) and old policy are exactly the same

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$100,000

If the old policy has been in-force for less than 10 years and the sum insured under the old policy is the same as under the new policy, the Distributor is entitled to receive the renewal commission only under the new policy.

Note: Renewal commission will be calculated at rate of renewal commission applicable to old policy.

Example 2: Sum insured for new policy (Replacement Policy) is lower than for the old policy**Old Policy 'A'**

Term Life = \$100,000

New Policy 'B'

Life Cover = \$80,000

If the old policy has been in-force for less than 10 years, and the sum insured for the new policy is lower than for the old policy, the Distributor is entitled to receive renewal commission only under the new policy.

Note: Renewal commission will be calculated at rate of renewal commission applicable to old policy.

Example 3: New policy has an extra benefit as compared to the old policy**Old Policy 'A'**

Term Life = \$100,000

New Policy 'B'

Life Cover = \$80,000

Crisis Recovery = \$10,000

Because there is an extra benefit, i.e. Crisis Recovery, under the new policy, the Distributor will be entitled to receive the full new business commission for Crisis Recovery at the new business commission rate applicable at the time of issue of the replacement policy, regardless of how long the old policy has been in force.

Renewal commission will be payable to the Distributor for Life Cover based on the premium for the decreased Life Cover sum insured (\$80,000).

Note: Renewal commission will be calculated at rate of renewal commission applicable to old policy.

5. Billing process (including reinstatements).**Policies paid yearly or half-yearly****28 days prior to renewal**

- A Notice of Premium Due is mailed to the policy owner.
(This will only be issued where the client has elected to receive a Notice to pay their premium.)
- A Premium Due Report is available to the adviser via the AIA Adviser Portal.

This report shows the adviser which policies have been billed.

(An email notification will be issued to the adviser at the same time with a hyperlink to the AIA Adviser Portal where the adviser can obtain further details.)

On the premium due date

- A Reminder Notice of Premium Due is mailed to the policy owner.
- An Overdue Premium Report is produced for the adviser via the AIA Adviser Portal.

This report shows the adviser which policy owners have not paid their premiums.

(An email notification will be issued to the adviser at the same time with a hyperlink to the AIA Adviser Portal where the adviser can obtain further details.)

At the expiration of the 60-day grace period (60 days after the due date)

- The policy is renewed if premiums are paid.

If premiums are not paid, the policy will lapse.

- A Lapse letter will be mailed to the policy owner.
- A Lapse report is available to the adviser via the AIA Adviser Portal. This report shows which policies have lapsed.

(An email notification will be issued to the adviser at the same time with a hyperlink to the AIA Adviser Portal where the adviser can obtain further details.)

Reinstatements

Within 90 days after the premium due date

- The policy may be reinstated without the need for any additional health evidence if all the outstanding premiums are paid.

Over 90 days after the premium due date

- The policy can only be reinstated upon receipt of an Application for Reinstatement form.
- Receipt of all outstanding premiums.

Reinstatement is subject to underwriting.

Note: A policy may only be considered for reinstatement if it has not remained lapsed for longer than 6 months.

Policies paid via direct debit

Renewal Certificate

A Renewal Certificate is issued for all policies paid via direct debit arrangement 28 days prior to the policy anniversary. The Renewal Certificate informs the policy owner of the new premium and the new sum insured. (An email notification will be issued to the adviser at the same time with a hyperlink to the AIA Adviser Portal where the adviser can obtain further details.)

Direct Debit Request (DDR)

A fully completed DDR is required in order to deduct premiums from a client's account with a financial institution. The DDR is always accompanied by a Service Agreement, which must be retained by the client.

All DDRs must be sent direct to AIA Australia's Policy Services Department.

1. The date a policy owner's account is billed is dependent on when the policy was issued. The debit will occur on or around the billing cycle dates noted below.

Policy Issue Date	Billing Cycle
1st – 7th	28th
8th – 15th	7th
16th – 22nd	15th
23rd – 28th	22nd

2. The correct premium must be in the nominated bank account by the billing cycle dates, otherwise the client may incur a dishonour fee.
3. When a premium dishonours, the policy owner will receive from AIA Australia a letter advising them of the dishonour. If the reason for the dishonour is 'Refer to Customer' the policy owner will be advised that we will double debit their account at the same billing cycle in the following month. If the double debit subsequently dishonours the policy will lapse 60 days from the date the policy is paid to.
4. A lapse letter is produced and mailed to the policy owner approximately 60 days from the date the policy is paid to.
5. If a dishonour occurs for any other reason, such as 'Account Closed', a letter will be sent to the policy owner advising them that billing details have been removed. We will request 2 months' premiums and enclose a new DDR for completion. We will also provide the policy owner with the option of altering to a different mode of payment or paying by monthly credit card.
6. If we do not receive any feedback or outstanding premiums, the policy will lapse 60 days from the date the policy is paid to.

Regular credit card deductions

A fully completed Periodical Debit Credit Card Authority (PDCCA) is required in order to deduct premiums from a client's credit card account.

All PDCCAs must be sent direct to AIA Australia's Policy Services Department.

1. Refer point 1 under DDR.
2. A credit balance, at least equal to the premium, must be in a client's credit card account on the billing cycle dates.
3. Where the credit card issuer declines the premium debit, a letter will be sent to the policyholder, similar to the dishonour letter. (Refer point 3 under DDR.)
4. Refer point 4 under DDR.
5. Refer point 5 under DDR.
6. Refer point 6 under DDR.

6. Premium payments

Premium payments may be made

- Monthly by Direct Debit Request (DDR).
- Monthly by credit card deductions (PDCCA).
- Half-yearly by cheque, single credit card and periodical direct debit and credit card deductions.
- Yearly by cheque, single credit card and periodical direct debit and credit card deductions.

Note: For direct debit and credit card payments, both single and regular deductions, Visa card, MasterCard, Diners Club and American Express may be used.

Yearly and half-yearly premiums can also be paid by BPAY and POSTbillpay.

Change to DDR or CCR can be made via Adviser Self Service located on the AIA Adviser Portal.

7. Lost or destroyed policy document

If a policy document has been lost or destroyed, the following procedure will apply.

1. The policy owner must complete a Lost Policy Declaration.
2. AIA Australia must in some circumstances give notice of its intention to issue a replacement policy document at least 10 days prior, in a newspaper circulating in the district in which AIA Australia considers the original policy document to have been lost or destroyed.
3. AIA Australia will issue a replacement policy document, which must:
 - a) be a copy of the original
 - b) contain a copy of every endorsement, and
 - c) state the reason why a replacement document was issued.
4. After a replacement policy document has been issued, AIA Australia will enter the following in its Lost Policy Register:
 - a) The fact that a replacement policy document has been issued, and
 - a) The reason for the issue of the replacement policy document.

8. Forms

Forms required for policy alterations may be obtained from the AIA Adviser Portal. The Policy Services team can also send out a number of these forms access as electronic Docusign forms. This provides efficiency in finalising customer requests without the need to print and/or provide a wet-signature by utilising an electronic signature.

9. Superannuation policies

In this section we have listed the exceptions in processing Policy Alterations specific to Superannuation policies.

For other details please refer to the relevant sections within the guide.

AIA Insurance Super Scheme No2

For details of the Administrator for the AIA Insurance Super Scheme No2, please call 1800 033 490.

The Administrator of the AIA Insurance Super Scheme No2 is responsible in issuing to the member the following:

- Section 290-170 after each financial year
- Member Annual Statement for the period ending 30th November each year
- Annual Report to Members
- Welcome letter for any new member who joins the Superannuation Fund
- Ad-hoc communication.

To address member related enquiries relating to the above points please call 1800 333 613 for the contact details of the Administrator for the AIA Insurance Super Scheme No2.

Priority Protection for Platform Investors and Self Managed Superannuation Funds

Various superannuation funds offer Priority Protection for Platform Investors. The trustee of these funds, and any self managed superannuation fund, will differ.

Cancellation from Inception

The following is the procedure to enable a policy to be cancelled within the cooling-off period.

The cooling-off period starts from when your client receives the Policy Schedule or from the end of the 5th day after the day on which we sent the Policy Schedule to your client, whichever is the earlier to occur.

A request to cancel the policy during the cooling-off period can either be by letter, fax or email or in any other manner permitted by law.

If your client cancels the policy during the cooling-off period, all premiums already paid will be treated as a superannuation contribution and will not be refundable because the money is typically preserved under superannuation law. Preserved money can be rolled into another complying superannuation fund. (For further information, please refer to the section under Superannuation.)

Reinstatement

The requirements to reinstate a policy within the AIA Insurance Super Scheme No2 and any other superannuation fund or self managed superannuation fund:

- completion of an Application for Reinstatement
- a Member Declaration form signed and witnessed with a current date
- a current Direct Debit Request or Credit Card Authority form
- all outstanding premiums.

NOTE: See page 35 for more on reinstatement process.

Payment of premiums as Eligible Termination Payment (ETP)

ETPs can be accepted as insurance premiums into the Fund provided the ETP is equal to or less than the premium amount. Where an ETP amount is less than the premium due, it is expected that the balance of premium is paid in conjunction with the ETP. Where an ETP payment is above the premium amount, the total ETP will be returned to the issuing superannuation fund.

Tax File Number

A valid Tax File Number must be provided at the time of application when joining the AIA Insurance Super Scheme No2, otherwise the policy will be cancelled and all contributions received returned.

Co-contribution

The Fund does not accept superannuation co-contribution. If the member of the Fund (life insured) is eligible for co-contribution, the member will need to nominate another superannuation fund or retirement savings account to receive any superannuation entitlement the Australian Taxation Office is holding for the member.

Change of ownership

To effect a change in ownership from the Trustee of the AIA Insurance Super Scheme No2, any other superannuation fund or self managed superannuation fund to a trustee of a Self Managed Superannuation Fund, the new policy owner must complete a MEMORANDUM of TRANSFER ('MOT').

Effective date of transfer will generally be immediately after both trustees sign the MOT.

Alterations within the cooling-off period

Any alterations made to policies within the cooling-off period of 30 days must be forwarded to the Policy Services Department. Any refund due as a result of the alteration will be refunded as an ETP and paid into a compliant superannuation fund nominated by the member.

Forms

Forms for Nomination of Beneficiary AIA Insurance Super Scheme No2 required for policy alterations may be obtained from the AIA Adviser Portal.

10. Alterations within the cooling-off period

Any alterations made to policies within the cooling-off period must be accompanied by the original Policy Document and forwarded to the Policy Services Department and not the New Business Department.

11. Cancellation from inception

The following is the procedure to enable a policy to be cancelled within the cooling-off period.

1. The cooling-off period starts from when the client receives the Policy Schedule from us or from the end of the 5th day after the day on which we sent the Policy Schedule to your client, whichever is the earlier to occur.
2. A request to cancel the policy within the cooling-off period can be made either by letter, fax or email or in any other manner permitted by law.
3. A cancellation request may be sent direct to Head Office by the policy owner.
4. If your client cancels the superannuation policy during the cooling-off period, the premium already paid is considered a superannuation contribution and is not refundable because the money is typically preserved under superannuation law. Preserved money can be rolled into another eligible superannuation fund. (For further information, please refer to the section under Superannuation.)

It's important to note, we will cancel your client's policy if the first premium is not received within 28 days from the date of the initial premium due notice.

12. Change of address

A policy owner's change of address must be notified to us. This can be done either over the phone, in writing or via Adviser Self Service located on the AIA Adviser Portal, as soon as you or your client is aware of the change. The notification can be from the policy owner, Power of Attorney, servicing adviser or a representative from the adviser's office.

Section F – New Business Process

1. New Business contact details

All applications should be sent to:

AIA Australia
PO Box 6111
Melbourne VIC 3004

Or emailed to infohub@aia.com

For all adviser enquiries and updates on the progress of new applications

Phone: 1800 033 490

2. AIA Australia's New Business process

- Once an application has been assessed by an underwriter it is passed to New Business to manage the administration requirements. When the status of an application changes, AIA Australia may notify you via the Proposal in Progress (PIP) email asking you to log into the AIA Adviser Portal. However, we ask that you refer to the AIA Adviser Portal at any time for all outstanding application requirements.
- If outstanding requirements are not met within the specified time the application will be cancelled, with notification sent to you and your client. A refund cheque will be issued where payment has been made unless the policy is a policy held in super.
- It's important to note, your client's cover does not commence until the first premium is paid; or from the commencement date shown on the policy schedule, provided the first premium is paid. If the first premium is not received within 28 days from the date of the initial premium due notice, we will cancel the policy.

3. eApp® – Signature free applications

Where the option for a signature free application is selected you will no longer be required to provide the following declarators:

- Client Declaration
- Adviser Declaration
- SMSF declaration
- AIA Insurance Super Scheme No2 – Membership application
- DDR/CC Authority

Payment details are required at the time of submitting the eApp®.

Important information

If the owner of a policy is the AIA Insurance Super Scheme No2 and a BINDING nomination for a beneficiary is made, a signed Beneficiary form must be provided.

New Business functions

- Processing of policy acceptances leading to the issue of the policy and finally, generation and dispatch of the client's policy schedule.
- PMAR Requests.
- Sending medical information to a client's doctor and other insurers as requested.
- Preparation and sending of 'Special Acceptance Term' letters.
- Authorisation of medical invoice payments.
- Issue of cancellation/withdrawn, decline/defer letters.
- Proposal updates.

Section G – Claims Procedures

1. Claims contact details

- **Phone:** 1800 333 613
- **Email:** au.retail.claims@aia.com
- **Postal Address:**
Claims Team
AIA Australia
PO Box 6111
Melbourne VIC 3004

2. How to make a claim

Notify the claims team by email, phone or post.

Procedure for all claims

1. Claim forms are issued within 48 hours of claim notification (including for death).
2. Upon receipt of the necessary claim documentation, an acknowledgement is sent to the Insured/third party authority (TPA) within 10 business days, summarising the details of the cover as well as any outstanding requirements. This is done via phone call, email, or mail.
3. If further information is still required for assessment of any of these claims after the above, we will inform the Insured/TPA of this within 5 business days
4. The follow ups for outstanding information are every 30 days, but we will provide the Insured/TPA with an update on your claim every 20 business days until a decision has been made on the claim, unless another timeframe has been agreed to.

If there is a preliminary decision to decline the claim or any potential adverse decision for the policy for any reason, a full explanation will be provided to the Insured/TPA as to why and inform them of their right of review.

3. Partial payments

The following table outlines AIA Australia's Priority Protection partial payment amounts under Lump Sum benefits.

	Benefit	Amount

	Crisis Reinstatement	Second Heart Attack or second Cancer Crisis Event (following reinstatement of the crisis benefit) related to, or caused by, the medical condition resulting in the original claim: The lower of 10% of the reinstated crisis sum insured and \$50,000.

Section H – Remuneration Procedures

1. Remuneration Team contact details

- **Phone:** 1800 033 490
- **Email:** au.retailadviseradmin@aia.com

2. Remuneration (commission payments)

Remuneration is generated in accordance with the Distribution Agreement, which governs the relationship between you (or your licensee) and AIA Australia. Please refer to your Distribution Agreement or to your licensee for further details regarding levels of commission.

3. What is payable as remuneration?

All remuneration calculations are based on the premium amounts payable (e.g. Life Cover, Income Protection, any health or pastimes loadings). AIA Australia does not pay remuneration on the policy fee, stamp duty, frequency/modal loadings or other statutory charges and taxes.

Additional upfront commission is also payable following certain benefit increases and/or additions scenarios on existing policies.

GST* is added to the remuneration payment and will be shown separately on the commission statement.

For any Policies submitted by the Distributor or its Distribution Channels which are to insure a family member of the Distributor or its Representatives, only Level Commission rates are available for calculating the Remuneration payable to the Distributor.

* Goods and Services Tax is not determined by AIA Australia and may vary in future at the discretion of the ATO.

4. Types of remuneration

Upfront 2020, Year 1 Only and Level remuneration

AIA Australia will pay remuneration based on the yearly premium at the agreed percentage, only after acceptance of the application by the New Business Department and receipt of the first premium by AIA Australia.

Please note that all remuneration paid may be subject to claw back in accordance with your licensee's Distribution Agreement should the policy lapse or be cancelled, or should the premium payable under the policy be reduced.

AIA Vitality Silver Status Reward Payment

From April 2024, when an AIA Priority Protection Insured activates their AIA Vitality membership and reaches Silver Status (10,000 Vitality points) within 6 months of the policy commencing, AIA Vitality will pay*:

- a one-off \$500 payment to the AIA Vitality member's nominated AIA Vitality bank account six months after policy commencement; and
- a one-off \$500 payment to the servicing financial adviser's licensee, paid in the commission run proceeding Silver Status being achieved by the member.

Please note that your licensee needs to agree to allow you to receive the one-off \$500 servicing adviser payment.

* Subject to Terms and Conditions. Different qualifying criteria for other member scenarios also apply - please refer to the Member Terms and Conditions of this offer for full details.

AIA Health Referrals

Your licensee needs to agree to allow you (and other advisers) to refer clients to AIA Health. Once they are comfortable to proceed, they need to contact AIA Australia to arrange for a Health Insurance Distribution Agreement to be completed. Upon execution of the agreement, AIA Health can be included on their Approved Product List.

Licensees may require you to complete the AIA Health online training to gain an understanding of the Private Health Insurance industry of which you will earn CPD points.

If your client proceeds with the purchase of an AIA Health policy after you have referred them to AIA Health, you'll receive a referral fee of 20% of the first year's premium (plus GST). Note all referral fees are paid to the licensee.

Frequency of payment from AIA Australia

Remuneration is payable in accordance with the Distribution Agreement and may vary depending on your or your licensee's payment preferences. AIA Australia will issue New Business remuneration on completion* of an application from our New Business and Underwriting Department.†

Once the policy has been completed our systems will be activated to generate commission for the policy and this will then be forwarded to the nominated bank account that has been supplied to AIA Australia by the holder of the distribution agreement.

* Completion is defined as:

1. Application being accepted by the New Business/Underwriting Department,
2. AIA Australia has received the First Premium Payment; and
3. Policy Schedule has been issued.

† AIA Australia reserves the right to withhold or delay any remuneration should there be a delay in completion, any failure or discrepancy in the information requirements to complete the application or other similar grounds to do so.

Frequency of revenue statements

Revenue statements will be issued weekly in electronic format if your Licensee or Adviser Code generates commission. Please note that the dates shown on the AIA Adviser Portal are reflecting as week commencing.

Continuous updates of your revenue statements will be available on the AIA Adviser Portal.

Please call 1800 033 490 if you have not yet been provided with access and password details to the website.

Questions in relation to remuneration

Should you wish to query any commission payments, raise any other remuneration issues or need further information, please contact our remunerations team (see details at the front of this section) or contact your licensee.

Offering Fee for Service (full dial down of commission)

The eligibility criteria is:

- Policy must be outside of any applicable responsibility periods (including any increased and/or additional benefits);
- Policy must not already be on a P70 commission structure (full dial down);
- Policy must be in-force and paid up to date (in status 20 or 30) and;
- The change must be requested by the servicing agent or licensee. Cannot come from client.

The discount that is applied to the policy when converted to fee for service would follow the below formula:

$$FFS \text{ discount } (\%) = 1 - ((1 - \text{current policy dial down discount } \%) \times (1 - \text{trail commission rate } \%))$$

Accounting for both the current dial down discounts as well as the trail commission rates on the policy will ensure that the client will not be disadvantaged by any conversions on the adviser's end.

The discounts apply as of the next available bill date (i.e. next monthly, semi-annual or annual payment, depending on policy payment frequency).

5. Cancel and replace remuneration

Why have I been paid full new business on the replacement policy/why have I been clawed back on the new policy?

Due to the way the AIA system operates, full new business commission is paid upon issue of a replacement policy, which is then manually adjusted to the applicable first year commission rate payable. If a policy is cancelled and replaced, the benefits that are replaced will receive the lower of the applicable LIF renewal rate at the date the replacement policy is issued and the renewal rate of the original cancelled policy (dial down will apply if selected). New business commission is only payable on a replacement policy as part of a cancel and replace if there are applicable increases or addition to cover, or the replaced policy is older than 10 years.

These adjustments will reflect as miscellaneous claw backs in your commission statements with the description "Replacement Adj."

6. Statement mismatch

The commission payment I've received is less than what is on my statement. How has this occurred?

Mismatches between commission statements and payment amount received in your bank account is often the result of a negative balance having occurred against the licensee as a result of payment reversals.

Once a negative balance is generated against a licensee, commissions earned in following statement periods are used to offset this balance until cleared.

7. Summary of Remuneration Terms

All commission payable by Us in respect of policies written by you is governed by the terms of our Distribution Agreement with your licensee. The following is a summary of the key terms governing commission which we pay your licensee.

Part A – Products

- Priority Protection
- Priority Protection for Platform Investors

Part B – Remuneration

Commission percentages given in the Standard Remuneration Table are inclusive of GST. They apply to the premiums payable in a policy year excluding any policy fees, premium frequency charges and Government stamp duty.

Table 1 – Standard Remuneration for all premium patterns including Term Level

The remuneration rates shown below apply to the Priority Protection range of products and are effective as at 1 January 2020 in relation to:

- policies issued from 1 January 2020 and any changes to such policies on which AIA Australia pays commission; and
- any changes made from 1 January 2020 to policies issued since 1 January 2018 (unless the policy was grandfathered for LIF purposes) on which AIA Australia pays commission.

For any policies which do not meet these criteria, you should speak with your licensee or AIA Australia Client Development Manager for information regarding the applicable remuneration rates.

- (i) For any Policies submitted by the Distributor, a Distributor Representative or via the Distribution Channels which are to insure a family member of the Distributor or a Distributor Representative, only the Level Commission rate is available for calculating the Remuneration payable to the Distributor.
- (ii) In circumstances where an application for a Policy is submitted by the Distributor, a Distributor Representative or via one of the Distribution Channels and for each of:
- the year to date commencing on 1 January in which the application is submitted; and
 - each of the two most recently completed years commencing on 1 January,
- the lapse rate of the Distributor, a Distributor Representative or the relevant Distribution Channel (as applicable), assessed by reference to the percentage of Policies issued by AIA that were in-force at the beginning of the relevant year which were cancelled or allowed to lapse during the year, exceeded 20%, AIA may limit the rate of Remuneration payable in relation to the Policy for Year 1 to 22% (inc. GST).

¹ "Year 1 Only" is only available to be selected in relation to new Policies issued on or after 10 October 2020.

- (iii) Year 2 + Remuneration will only be paid on Premium that is received by AIA.
- (iv) If the Policy is a Replacement Policy, then the application of the above tables is subject to the rules in respect of Replacement Policies set out in the Replacement Policy FAQ.
- (v) Where a Policy is submitted by the Distributor, a Distributor Representative or via the Distribution Channels in circumstances where:
 - the person who is to be insured under the Policy being applied for (the insured applicant) had been insured under a Policy issued by AIA which was lapsed or cancelled (previous AIA policy) within the previous three years; and
 - the application for the Policy is submitted by or on behalf of the same, or an associate of the, Distributor or a Distributor Representative which serviced the previous AIA policy at the time of its lapse or cancellation, that Policy may be treated as if it were a Replacement Policy.

Clawback of Remuneration

Any Remuneration payments made by us to the licensee in respect of a policy which is cancelled, lapses or has a reduction in policy cost will be clawed back as follows:

- 100% clawback applies to upfront commission paid where the cancellation or reduction occurs within 12 months from the policies risk commencement date²
- 60% clawback applies to upfront commission paid where the cancellation or reduction occurs after 12 months (and between 13–24 months following the policy issue) from the policies risk commencement date².

Pro rata claw back will apply in relation to reductions in policy cost.

AIA will not pay commission on refunded premiums. AIA will clawback commissions if a premium on which commission has been paid is refunded.

This Summary of Remuneration Terms is subject to the terms and conditions of the Distribution Agreement between AIA Australia Limited and the relevant AFSL holder.

Replacement Policy (Cancel and Replace) FAQ

1. What is a Replacement Policy?

A Replacement Policy is a policy that is issued to replace an existing AIA policy without full underwriting.

The issue date of the Replacement Policy must be no earlier than the cancellation or termination date of the policy being replaced (i.e. 'old policy').

2. When can a Replacement Policy be issued?

The cancellation and replacement of an existing AIA Priority Protection Policy is only available if the cancellation and replacement is being performed to facilitate a change which is not possible as an alteration to the existing Policy.

3. Who decides it is a Replacement Policy?

AIA Australia will decide if a particular policy is a 'Replacement Policy'. If the application for a replacement policy is accepted, the Retail Administration team will be notified of this decision and commissions will be adjusted accordingly.

4. How do commission rules apply to a Replacement Policy?

Commission is payable on the Replacement Policy in accordance with the table set out below. Remuneration paid on the old policy may be subject to claw back in accordance with the Distribution Agreement.

² The risk commencement date could vary from the policy anniversary so when canceling a policy check the risk commencement date.

New Business Commission**Renewal Commission****Old policy in-force <10 years**

Equal to:

- (i) if the sum insured for the Replacement Policy is greater than the sum insured for the old policy, the amount by which Replacement Policy premium exceeds old policy premium as a result of the increase to sum insured multiplied by rate of new business (Year 1) commission applicable at time of issue of Replacement Policy; plus
- (ii) any amount of Commission clawed back on the old policy as a result of the old policy's cancellation and replacement with the Replacement Policy; plus
- (iii) Replacement Policy premium (excluding any portion of that premium which results from the sum insured for the Replacement Policy being greater than the sum insured for the old policy) multiplied by the lower of the rate of trail (Year 2+) commission applicable at time of issue of the old Policy and the rate of trail (Year 2+) commission applicable at time of issue of Replacement Policy, provided that the aggregate payment will be no greater than the Replacement Policy premium multiplied by the rate of new business (Year 1) commission applicable at issue of Replacement Policy

Paid on Replacement Policy premium at the lower of the rate of trail (Year 2+) commission applicable at time of issue of the old Policy and the renewal commission rate applicable at the time of the Replacement Policy issue.

Note: Any renewal commission paid on additional benefits or increases to the sum insured after the replacement policy is issued will be calculated using the renewal commission rate applicable at the time of issue of the addition or increase.

Old policy in-force ≥10 years

Paid on Replacement Policy premium multiplied by rate of new business (Year 1) commission applicable at time of issue of Replacement Policy

Paid on Replacement Policy premium at the rate of trail (Year 2+) commission applicable at time of issue of Replacement Policy

If:

- the commission type chosen under the old policy was Upfront or Hybrid, the Upfront commission rate applicable at the time of the Replacement Policy issue (based on the premium discount chosen, if any) will apply to the Replacement Policy;
- the commission type chosen under the old policy was Level, the Level commission rate applicable at the time of the Replacement Policy issue (based on the premium discount chosen, if any) will apply to the Replacement Policy; and
- the +5% Premium Increase for Upfront or Hybrid commission was chosen under the old policy, the Standard Premium Discount for the Upfront commission rate applicable at the time of the Replacement Policy issue will apply under the Replacement Policy.

Remuneration paid on Replacement Policies may be subject to claw back in accordance with the Distribution Agreement.

4. Examples – Calculating Replacement Policy Commission

In the following three examples it has been assumed that the old policy being replaced has been in-force for at least 24 months and that no additions had been made to the old policy within 12 months of the cancellation of the old policy.

Example 1: Sum insured for new policy (Replacement Policy) and old policy are exactly the same

Old Policy 'A'**New Policy 'B'**

Term Life = \$100,000

Life Cover = \$100,000

If the old policy has been in-force for less than 10 years and the sum insured under the old policy is the same as under the new policy, the Distributor is entitled to receive the renewal commission only in relation to the premium payable for the first 12 months of the new policy. Unless level commission has been selected, the remuneration paid for the first year of the new policy will be subject to claw back in accordance with the Distribution Agreement.

* Note: Renewal commission will be calculated at the lower of the rate of renewal commission applicable to old policy and the rate of renewal commission applicable at time of issue of replacement policy.

Example 2: Sum insured for new policy (Replacement Policy) is lower than for the old policy

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000

If the old policy has been in-force for less than 10 years, and the sum insured for the new policy is lower than for the old policy, the Distributor is entitled to receive renewal commission only in relation to the premium payable for the first 12 months of the new policy. Unless level commission has been selected, the remuneration paid for the first year of the new policy will be subject to claw back in accordance with the Distribution Agreement.

* Note: Renewal commission will be calculated at the lower of the rate of renewal commission applicable to old policy and the rate of renewal commission applicable at time of issue of replacement policy.

Example 3: New policy has an extra benefit as compared to the old policy

Old Policy 'A'	New Policy 'B'
Term Life = \$100,000	Life Cover = \$80,000 Crisis Recovery = \$10,000

Because there is an extra benefit, i.e. Crisis Recovery, under the new policy, the Distributor will be entitled to receive the full new business commission (i.e. at the applicable Year 1 Remuneration rate set out in the Distribution Agreement) in relation to the Premium payable for Crisis Recovery for the first year of the new policy, regardless of how long the old policy has been in force.

In addition, the Distributor will be entitled to receive commission in relation to the Premium payable for Life Cover for the first year of the new policy at the rate of trail commission (Year 2+ Remuneration) which applies at issue of the new policy.

Both the commission payable for Crisis Recovery and Life Cover for the first year of the new policy will be subject to claw back in accordance with the Distribution Agreement.

* Note: Renewal commission will be calculated at the lower of rate of renewal commission applicable to old policy and the rate of renewal commission applicable at time of issue of replacement policy.

Section I – Group Insurance Services and Administration

Our AIA Australia Group Insurance channel is a specialist provider of group risk products and solutions. It's responsible for managing superannuation funds and corporate scheme relationships across the country.

Our Group Insurance offer is underpinned by market-leading technology and our industry best practice occupational rehabilitation expertise.

If you would like to speak with our Group Insurance Distribution team please contact **1800 238 728**.

Continuation Options

If a member leaves employment or stops their AIA Australia Group Insurance, they can stay insured with AIA Australia by opting for a continuation option. This means the member, who meets the eligibility criteria, would move to a retail 'Priority Protection' life insurance policy.

To find out about continuation options, contact our team on 1800 033 490 or at au.cont.options@aia.com

Our Administration team will complete all eligibility checks for you and provide you with:

- A fully completed Validation Form which covers entitlement and expiry date of the offer
- A 'Group Continuation to Priority Protection' short form application for the member to complete and the current PDS
- A Priority Protection Quotation, based on the benefits and level of cover under the policy.

We will process the policy as a retail policy, as long as the member continues to fall within the eligibility period.

The eligibility criteria applies on all Continuation Options based on the Product offering unique to each Business Partner.

Please note that AIA can only offer an Indemnity based Income Protection policy in continuation of any existing Group Agreed Value Income Protection insurance policies.

Section J – Occupation Ratings

AIA Australia has 11 classes of occupations as outlined below. The occupation classifications are based on the actual duties performed, not the 'job title', therefore a full description of all duties performed should be provided in the application or when discussing an occupation with an Underwriter to determine the correct occupation category.

If your client has a second occupation, the occupation category applicable may be based on the more 'hazardous' occupation, depending on the nature and extent of involvement in the second job. The income however is not usually included in determining the Monthly Benefit available. E.g: An applicant works 30 hours a week as a qualified motor mechanic, and also works 25 hours a week as a landscape gardener. In this case the occupation category quoted should be category D not C2.

Please refer to Underwriting if a second occupation exclusion is a preferred alternative.

Occupation Category	Characteristics of Occupation Category
A1	<ul style="list-style-type: none"> For professionals, executives and senior management earning more than \$120,000 per annum over the last 2 years and in an office based management role. Or, for professionals, executives and senior management whose income is less than \$120,000 per annum over the last 2 years, then they must have a tertiary qualification* related to their current occupation and they must work in an office based environment. <p>*Tertiary qualification means a Bachelor's degree, Master's degree or PhD granted by a recognised tertiary institution.</p>

Section K – Priority Protection Structure

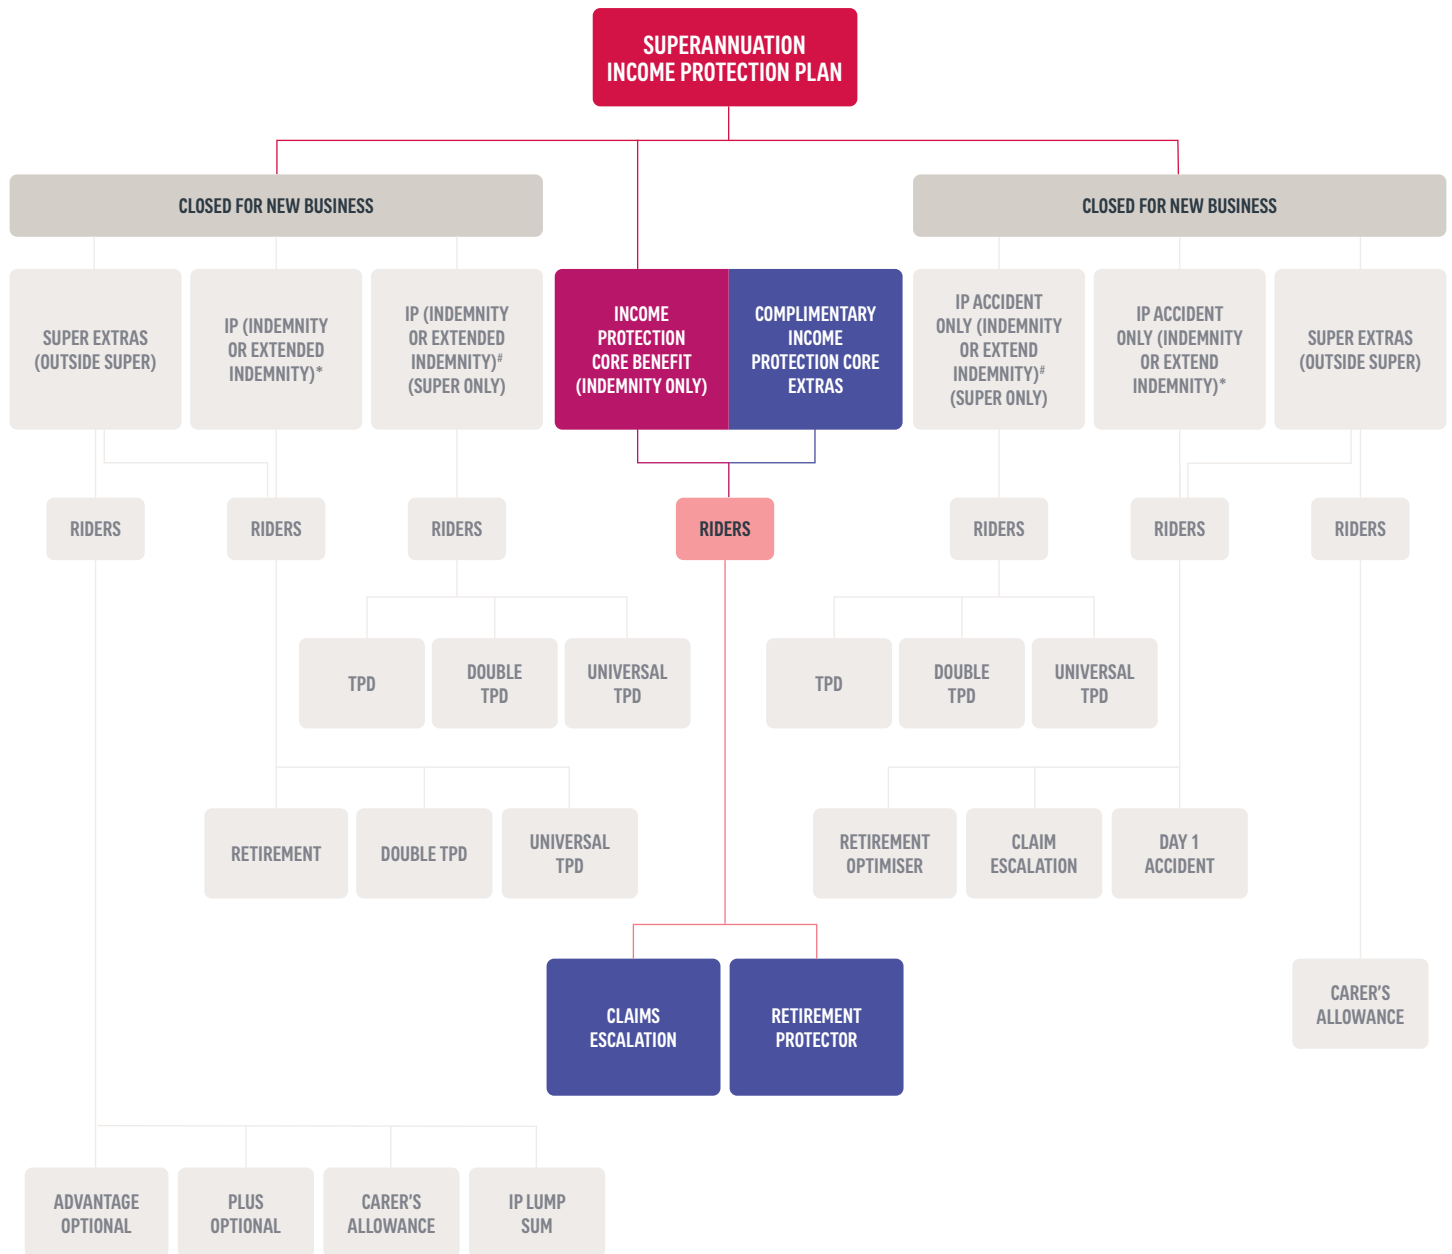

From 1 October 2021, the availability of Priority Protection Income Protection or Income Protection Accident Only cover is solely limited to customers who already hold Income Protection or Income Protection Accident Only cover under an existing AIA Australia Priority Protection policy. Please refer to the Priority Protection Product Disclosure Statement.

Where Maximiser is selected, Family Protection, Needlestick Injury (Occupation AA Only) and Waiver of Premium (where applicable), are the only benefits available to be selected under Superannuation PLUS.

* Selection of this benefit automatically provides an Income Protection benefit in superannuation and an Income Protection benefit outside of the superannuation environment linked via Super Extras.

Please speak to your adviser about the availability of this feature.
