

Apple Watch Series 6 (GPS)

Apple Watch Series 6 lets you measure your blood oxygen level with a revolutionary new sensor and app¹. Monitor your heart rate. See your fitness metrics on the enhanced Always-On Retina display, now 2.5x brighter outdoors when your wrist is down. Set a bedtime routine and track your sleep. And reply to calls and messages right from your wrist². It's the ultimate device for a healthier, more active, more connected life.

Your Apple Watch will track your workouts and activity to help you earn AIA Vitality Points.

Get Apple Watch. Get active. Get rewarded.

You can now choose to get an Apple Watch Series 6 (GPS), 44-mm (valued at \$649) and use your rewards to earn your Apple Watch in full, by getting active and achieving your weekly Active Benefits target each week for 24 months.

How does the benefit work?

You'll need to enter into an agreement with our loan provider, etika for a loan amount of \$649, and set up a direct debit for 24 months. You can reduce your monthly repayments by being active and achieving your weekly Active Benefits targets.

1. Blood Oxygen app measurements are not intended for medical use, including self-diagnosis or consultation with a doctor, and are only designed for general fitness and wellness purposes. 2. Carrier plan is required for mobile service. Contact your service provider for more details. International roaming is not supported. Check apple.com/au/watch/cellular for participating carriers and eligibility. See support.apple.com/en-au/HT207578 for additional setup instructions.

Your weekly Active Benefits target is dynamic, and is based on your target achievements in previous weeks.

Targets met in a month	You earn	You pay
0 weekly targets	\$0	\$27*
1 weekly target	\$5	\$22
2 weekly targets	\$10	\$17
3 weekly targets	\$15	\$12
4 or 5 weekly targets	\$27*	\$0

*The last (24th) monthly payment will be billed at \$28. AIA Vitality will cover the full \$28 in the last month if all physical activity targets are met. You will be billed monthly, on the 17th of the following month.

Link your Apple Watch Series 6 (GPS) and earn AIA Vitality Points

- Once you receive your Apple Watch Series 6 (GPS) device, login to aiavitality.com.au and navigate to Fitness Devices and Apps under the Improve Your Health tab, click on Link

my Apple Watch and follow the prompts. Refer to the AIA Vitality website to learn how points are awarded based on calories, steps, speed, heart rate and sleep.

- You can earn a maximum of 100 AIA Vitality Points each day for all fitness-related activities (excluding organised fitness events) including gym session, walking, and other activities tracked using fitness devices or apps synced with AIA Vitality. Should you exercise more than once a day or use more than one activity tracking device, we will record the highest points earning activity.
- If you participate in an organised fitness event (such as a marathon), the points you earn for that event may exceed the daily cap of 100 points and will contribute towards the yearly maximum of 15,000 points for all physical activities.
- Your points will be reflected on your online AIA Vitality Points Statement within 5 days after your data is uploaded.

Important points to remember

- If you activate the Apple Watch benefit, you will no longer be eligible to select any of the standard \$5 Active Benefit vouchers and donations for the next 24 months.
- You will receive an Apple Store Gift Code (valued at \$649) for you to purchase your Apple Watch Series 6 (GPS), 44-mm at the Apple Store.
- The loan with etika is fixed at \$649, you cannot change the loan amount.
- You may choose to purchase the lower priced Apple Watch Series 6 (GPS), 40-mm (valued at \$599) and use the remaining \$50 from the Apple Store Gift Code to purchase another item from Apple Store. Additionally you can also select a different model or add-on accessories that is greater than \$649, however you will need to pay the difference upfront at Apple Store.

- Apple Watch Series 6 requires an iPhone 6s or later with iOS 14 or later.
- To cover repayments to etika, you must achieve your Active Benefits target displayed in the AIA Vitality app each week. Closing the rings on your Apple Watch is a completely separate measure of your activity levels, and is not used to determine if you've successfully achieved your weekly Active Benefits target.
- If you terminate your AIA policy, all outstanding loan repayment amounts for this benefit will need to be settled in full and directly with etika. Please refer to your loan agreement for more details.
- If you are approved for an Apple Watch Series 6 (GPS) loan and enter into a loan agreement with etika, you agree that:
 - etika will pay the loaned amount to AIA Australia and AIA Australia will provide you with an Apple Store Gift Code to fund your purchase of an Apple Watch;
 - you will be solely responsible for payment of amounts that fall due under your loan agreement with etika; and
 - you will no longer be eligible to select any of the standard \$5 Active Benefit vouchers and donations for the duration of the agreement.
 - When you activate the Apple Watch benefit, you:
 - are consenting to AIA Australia exchanging your personal information with etika for the purpose of administering the AIA Vitality Apple Watch benefit (including for the purpose of making any payments due by you to etika on your behalf).
 - understand that AIA Australia may be entitled to receive a rebate for any purchase made using the Apple Store Gift Code given to you by activating the AIA Vitality Apple Watch Benefit.
- In case of dispute, the decision of AIA Australia and Apple Watch shall be final.
- Use of this benefit is subject to the AIA Vitality Terms and Conditions, AIA Vitality Terms of Use and the AIA Australia Privacy Policy available at aiavitality.com.au. Benefits may be varied or withdrawn at any time.
