EARNING PHYSICAL
ACTIVITY POINTS

AIA Vitality

March 2025

Earning physical activity points allows you to earn weekly rewards that help you reach your everyday fitness goals while building towards your AIA Vitality status, which unlocks even bigger rewards.

Link your compatible fitness device or app: Open the AIA Vitality app and tap 'Account', then 'Connected apps & devices'.

Please note: AIA Vitality only supports activity tracked directly from:

- Apple Health
 - Google Fit
 - Strava
 - Samsung Health app
- Fitbit
 - Peloton*
 - Garmin
 - Polar devices

Due to potential data integrity issues with third party devices, activity tracked by any other third party device, (even if linked to any of the apps listed), is not supported and cannot be used to earn AIA Vitality Points.

The maximum points you can earn per day is 150.
If you complete two or more fitness activities in one day then the higher points between them will be awarded.

Your points will usually be displayed the next day. However, on some occasions they may take up to two weeks to show on your points statement, so please be patient.

Members can earn up to 15,000 points per membership year for physical activity. However, to encourage you to complete a broader range of physical activities, we have introduced a 10,000 point cap on the total points that can be earned from steps each membership year.

You can still earn the remaining 5,000 points for physical activity through other activities, such as Heart Rate Activity, Speed Activity, Calorie Activity, Gym Visits, and Organised Fitness Events.

About AIA Vitality Active Benefits

AIA Vitality members can enjoy weekly rewards for being active. We all need a little extra motivation sometimes and AIA Vitality Active Benefits gives you something to work towards every week!

What is the benefit?

You will receive a \$5 reward when you reach your personalised Active Benefits target each week.

Who can use these benefits?

AIA Vitality Active Benefits is only available to current AIA Vitality members who opt-in to Active Benefits via the AIA Vitality app. AIA Vitality members are able to use the vouchers for themselves or share with their family and friends.

PLEASE NOTE: AIA Vitality members who have activated the Apple Watch Benefit and commenced benefit tracking cannot choose any of the Active Benefits rewards detailed in this guide. All Active Benefits rewards earned when the Apple Watch Benefit is live will automatically contribute towards reducing the monthly loan repayment to etika. Please refer to the Apple Watch Benefit Guide or the AIA Vitality app for more information.

Members selecting \$5 into a Commonwealth Bank account as an Active Benefits reward must ensure details of a valid Commonwealth Bank account are provided. Only one nominated bank account is permitted per AIA Vitality membership.

How does the benefit work?

- AIA Vitality will set you a weekly personalised Active Benefits target every Monday. You need to complete fitness activities between the Monday your target cycle starts and midnight the following Sunday.
- This target is based on your target achievement over the previous few weeks.
- You will have until the Saturday after the target week to sync your activity data from your fitness device. We recommend you sync every day to be able to access the reward immediately upon reaching your target.
- You'll earn a \$5 reward each week when you achieve your personalised Active Benefits target.
- You can choose to redeem your rewards as:
 - a \$5 voucher for Uber, Uber Eats, Woolworths, Google Play, Apple Gift Card, participating Sports Club Partners.

- a \$5 donation to one of seven Australian charities; Baker Heart and Diabetes Institute, Black Dog Institute, Cancer Council Australia, Diabetes Australia, The Forktree Project, National Breast Cancer Foundation, Ovarian Cancer Research Foundation or via the AIA Vitality mobile app.
- a \$5 monetary deposit into a nominated Commonwealth Bank account.
- You will have 14 days from the day you achieve your target (which may be earlier than the end of the week) to choose your reward voucher.
- To use your reward simply follow the steps for each voucher supplier. Some vouchers can be used either online or offline, or both. Check the terms and conditions of your chosen voucher for more information.

AIA Vitality Points

- AIA Vitality Points will be awarded depending on level of exercise completed. Refer to the Physical Activity Guide in the AIA Vitality app.
- You can earn a maximum of 150 AIA Vitality Points each day for all fitness-related activities (excluding organised fitness events) including gym session, walking, and other activities tracked using fitness devices or apps synced with AIA Vitality. Should you exercise more than once a day or use more than one activity tracking device, we will record the highest points earning activity only.
- Your points will be reflected on the app on the Dashboard page within 5 days after your data is uploaded.

Important points to remember

- AIA Vitality members will continue to be rewarded with AIA Vitality Active Benefits even after they have reached their 15,000 points cap for Physical Activity provided they have done physical activity equivalent to meet their weekly Active Benefits target.

VIRGIN AUSTRALIA FLIGHT BENEFIT GUIDE

AIA Vitality

January 2025

What is the benefit?

- AIA Vitality members can receive a status-based cashback of up to 50% on the base fare of one international booking and one domestic booking, or two domestic bookings on eligible Virgin Australia flights when booked via the AIA Vitality app. AIA Vitality members receive status-based cashback on the first two eligible flights booked in their membership year.
- A cashback of 10% will be payable to the member only for all subsequent eligible flights.
- The cashback amount is capped at \$2,000¹ per passenger, per booking, regardless of the member's AIA Vitality status at the time of booking.
- The cashback percentage is based on the AIA Vitality status of the member at the time of booking.

AIA Vitality Status	Cashback
 Bronze	10%
 Silver	20%
 Gold	30%
 Platinum	50%

Please note that to access this benefit, the AIA Vitality member must have completed all components of the AIA Vitality Health Check within the last 12 months.

- At the time of booking, if the member has not completed an AIA Vitality Health Check² within the last 12 months, then a cashback of 10% will be payable to the member only, and the booking will count towards the benefit usage for the membership year. This includes members who are eligible for AIA Extra benefits.
- Flights must be booked at least 10 days in advance of the date of travel.
- Members can book one international flight on United Airlines, Singapore Airlines and Qatar Airways using their Flight Benefit. This includes destinations across North America, Asia, the United Kingdom, Europe, and the Middle East.

How can the benefit be accessed?

1. Open the AIA Vitality app.
2. Navigate to 'Rewards' and scroll down to 'Virgin Australia'.
3. Follow the prompts under, 'Book now', to access the Virgin Australia booking portal.
4. After selecting your travel date(s) you will need to tap "X" in the top right corner for the screen to progress to the booking screen.
5. Select a Choice or Flex fare marked with 'AIA Vitality' under the fare price – only these fare types are eligible for this benefit. Business and Lite fares are excluded. Members who select a flight that is not marked with 'AIA Vitality' under the fare price will not receive a cashback.
6. Cashback for an eligible flight is processed based on the order in which you made the booking and applies to the first two eligible flights booked each membership year. If a member has booked three flights, the first two eligible flights booked are the flights the member will receive cashback for.
7. Once the booking process is complete, the member will receive the booking confirmation/itinerary directly from Virgin Australia.
8. To ensure a cashback is processed correctly, the member must enter flight details via the 'Register for your cashback' form. This can be found within 'Virgin

Australia' in the 'Rewards' section in the AIA Vitality app. Failure to complete this form may result in a delay in receiving your cashback.

9. The cashback will be paid via direct deposit into the members nominated bank account within six weeks.

Note: Members eligible for AIA Extra must follow access instructions contained within their AIA Extra confirmation of eligibility email, not through the AIA Vitality app.

Who may use the benefit?

- Only the AIA Vitality member making the booking may be eligible for status-based cashback.

What if Velocity Points are used?

- If you use Velocity Points to reduce the cost of the flight booking, please note the cashback payment will be calculated on the remaining base fare amount after Velocity points have been used.
- For example, if Velocity Points have been used to fund \$250 of the total booking, which has a base fare of \$1,000, then the member's status-based cashback percentage will be applied to the remaining base fare of \$750.
- If the value of the Velocity Points equals or exceeds the base fare of the booking, then no cashback will be payable.

Important points to consider

- To be eligible for a status-based cashback, flights must be booked via the AIA Vitality app, are marked with the 'AIA Vitality' label, and must be booked at least 10 days in advance of the date of travel.
- Flights booked via any other channel (including a travel agent, third party online booking site, directly through Virgin Australia's website, or as part of a package) are not eligible for a cashback.
- The cashback amount for the member will be paid as a single payment into the member's nominated bank account in the AIA Vitality app.
- The cashback amount is calculated on the base fare only and is not applicable to any taxes and surcharges, card payment fees, amendment or cancellation fees, incidental or administrative fees, or travel insurance.
- AIA Vitality members can receive a cashback for a flight that they are taking for their own use only. The cashback cannot be applied to flights for any other individual, or to flights where the AIA Vitality member is not listed as the lead traveller in the booking.
- AIA Vitality members travelling together can book separately and then contact the Virgin Australia Guest Contact Centre on 13 67 89 to link their bookings. Virgin Australia may need to speak with both members, who need to supply the passenger name record (PNR) for both bookings and request that these be linked. The PNR can be found on the booking confirmation from Virgin Australia.
- Booking modifications and cancellations are permitted as per Virgin Australia fare class rules. The cashback will be applied to the original booking only and any fare increase

due to modifications are not eligible for an additional cashback.

- Modifications will not drive recovery of a cashback unless the change is the removal of the AIA Vitality member from the booking, in which case this will be treated as a cancellation.
- If an AIA Vitality member cancels a booking for which they have received a cashback, the member must refund the cashback amount within 60 days. If the booking included a status-based cashback, the member will be entitled to book another eligible flight to receive a status-based discount within the AIA Vitality membership year.
- Queries regarding all aspects of an AIA Vitality member's flight booking, including modifications and cancellations, must be directed to Virgin Australia's Guest Contact Centre on 13 67 89.
- AIA Australia will use all reasonable endeavours to ensure that AIA Vitality flags are aligned with the outlined rules for eligible flights.
- Use of this benefit is subject to the AIA Vitality Terms and Conditions, AIA Vitality Terms of Use, and the AIA Australia Privacy Policy available on the AIA Vitality website.

MENTAL WELLBEING BENEFIT GUIDE

March 2025

AIA Vitality

About the AIA Vitality Mental Wellbeing Benefit

- All AIA Vitality members have access to the AIA Vitality Mental Wellbeing Benefit, which offers a variety of mental wellbeing tools, services, and information designed to help build mental fitness whilst earning AIA Vitality Points.
- Partnering with the best-in-class mental wellbeing providers, members have access to insightful content, meditation apps, sleep and mood tracking, and opportunities for social connection.

Who is eligible?

All AIA Vitality members have access to the AIA Vitality Mental Wellbeing Benefit.

How does the Benefit work?

There are *two* components to the AIA Vitality Mental Wellbeing Benefit.

1. LEARN – Listen, watch, and read insightful content to help members understand more about mental wellbeing, its impact, and how to manage it.

2. ACT – Engage in different activities that help maintain and improve mental wellbeing such as meditation, mood tracking, sleep tracking, and social connection.

The benefit is designed to support members in different ways. Recognising that everyone is different, and that we all have our own preferences when it comes to the resources and tools available to us, members can choose to engage with some, or all, of the activities at a time that suits.

Learn

ONLINE CONTENT

- In partnership with Groov, AIA Vitality members have access to evidence-based content focussing on inspired action and behavioural change which can be completed at a time that suits, via the AIA Vitality app.
- Members can earn up to 1,200 points per membership year. Each time content is read, watched, or listened to, members will earn 25 points, with a cap of 500 points per 6 months. A green tick will appear indicating content that has been completed.
- Members can revisit the same content but will not receive additional AIA Vitality Points for content already completed.
- Members will also find information about the types of support services available in Australia, how to access them and which services may be appropriate for you or someone you know who needs help. Members will also find information about how to access mental wellbeing services provided by AIA Vitality.
- Members can earn 100 points every 6 months for learning about and keeping up-to-date with the mental wellbeing landscape in Australia.
- This component of the benefit is accessible via the AIA Vitality app.

- The mindfulness app should be linked to Apple Health (iOS) or Google Fit (Android). Members can earn 15 points per day for completing 10 consecutive minutes of meditation.
- moodflx is our mood tracking partner. Members can earn 15 points per day for tracking their mood at least once within the day. AIA Vitality members have free access to the moodflx app where mood can be tracked throughout the day to earn points.
- Members can earn up to 3,000 points per membership year. Earn 15 points daily for either meditating or mood-tracking. Points are capped at 75 points per week.

SLEEP TRACKING

- Members can track sleep and earn AIA Vitality points by linking a compatible sleep tracking device to the AIA Vitality app.
- Sleep must be recorded for at least 7 hours in a 24-hour period (between 12pm on one day and 12pm the next day) to earn 10 points, capped at 50 points per week.

SOCIAL CONNECTION

- AIA Vitality has partnered with Togetherall, an online community where people can talk, share, and support each other anonymously, to improve their mental wellbeing.
- Engagement with the Togetherall platform is anonymous which means we are unable to allocate AIA Vitality Points for this activity.
- Members have access to Togetherall via the AIA Vitality app and from there will be transferred to the Togetherall platform.

Important things to remember

Learn

- AIA Vitality Points for the online content will only be earned after the content has been completed (read, listened, or watched including an infographic, article, video, or audio).

Act

- The AIA Vitality app must be synced to a compatible meditation app to earn AIA Vitality Points.
- Ten consecutive minutes must be spent meditating each day to earn AIA Vitality Points. Additional points are not earned for any extra meditation sessions completed on a given day, however members can continue to track activity. Meditating can help you deal with everyday life, reduce stress, and improve your overall wellbeing so you may choose to meditate beyond 10 minutes.
- When tracking sleep, the device must be worn while sleeping.
- AIA Vitality Points will only be allocated based on sleep recorded from the following compatible devices: Fitbit, Garmin, Apple Health (iOS only), and Apple Watch.
- moodflx is an evidence-based app focused on improving mental fitness. Regularly tracking your mood can help identify patterns to better understand what situations or circumstances positively or negatively impact your mood.
- Members simply tap on the mood tracking button on the Wellbeing activities screen to download the app.
- Mood tracking cannot be backdated.
