

# POLICY ENHANCEMENT SUMMARY

## For policyholders

3 April 2021

**Every year AIA Australia upgrades its Priority Protection and Priority Protection for Platform Investors benefit range to ensure that the features and benefits offered to our customers and policy holders meet their changing needs.**

In addition to our regular product review, the Priority Protection Product Disclosure Statement and Policy Document (PDS) dated 3 April 2021 has been updated in response to the changes to Unfair Contract Terms (UCT) law.

The latest enhancements which are being passed back to existing policy holders are listed in this document.

It is important to read this Policy Enhancement Summary together with your existing PDS and any other policy notices. The enhancements outlined in this document now form part of your Policy.

These enhancements apply from 3 April 2021. The improved features and benefits outlined below are only effective on and from this date. These enhancements will not apply to any policy where a claim is pending or where a claim is in the process of being paid. The enhancements override your existing policy terms and conditions (except to the extent where you are disadvantaged in any way, in which case the previous policy wording will apply) and are subject to any pre-existing conditions.

The tables below are a summary only and should be read in conjunction with the full terms and conditions relating to the enhanced benefit in the Priority Protection Product Disclosure Statement and Policy Document (PDS) dated 3 April 2021.

Where the change is limited to a word or phrase, it has been highlighted for ease of reading. The description of the benefit or term 'Prior to change' shown is as per the PDS dated 16 January 2021. The enhancement still applies to you if your existing PDS has a different description of this benefit.

**Definition****Prior to the change****After the change****Inside Super**

Under the Superannuation Life Cover Plan, in order to meet the definitions of a), b) or c), you must also become in our opinion incapacitated as a result of your ill health to such an extent as to render you unlikely ever to gainfully engage

in any business, profession or occupation for which you are reasonably suited by education, training or experience. At least two Medical Practitioners will need to certify that you have satisfied this definition.

**Inside Super**

Under the Superannuation Life Cover Plan, you will also need to meet a condition of release, as required under superannuation law, in order to have the benefit paid to you. This means that the trustee must be reasonably satisfied that your ill health makes it unlikely that you will engage in gainful employment for which you are reasonably qualified by education, training or experience.

Depending on your circumstances, you may also need to meet the tax definition of 'disability superannuation benefit' in order to receive your benefit payment with concessional tax treatment.

You will be requested to provide medical reports from two legally qualified medical practitioners who have both have certified that, because of the ill health, it is unlikely that you can ever be gainfully employed in a capacity for which you are reasonably qualified because of education, experience or training. If these are not provided, it may take the trustee longer to determine whether you have met a condition of release, and it may affect how the benefit you receive is taxed.

**Total and Permanent Disablement (Own Occupation)**

Removed 'in our opinion' and re-worded some sections for clarity

**Total and Permanent Disablement (Own Occupation)** means that:

- a) you have suffered the total and irrecoverable loss of the:
- sight of both eyes,
  - use of two limbs, or
  - sight of one eye and use of one limb,
- or
- b)
- you have been absent from your own occupation **solely** as a result of Injury or Sickness for an uninterrupted period of at least three consecutive months
  - are attending a Medical Practitioner and have undergone all reasonable and usual treatment including rehabilitation for the Injury or Sickness, and
  - at the end of the period of three months, after consideration of all the medical evidence and such other evidence as we may require, have become **in our opinion** incapacitated to such an extent as to render you unlikely ever to engage in your own occupation,
- or
- you have suffered Loss of Independence.

**Total and Permanent Disablement (Own Occupation)** means,

- a) you have suffered the total and irrecoverable loss of the:
- sight of both eyes,
  - use of two limbs, or
  - sight of one eye and use of one limb,
- or
- b) solely as a result of Injury or Sickness
- you have been absent from your own occupation for an uninterrupted period of at least three consecutive months, and
  - you attend a Medical Practitioner and have undergone all reasonable and usual treatment, including (where appropriate) rehabilitation for the Injury or Sickness, and
  - at the end of the period of three months, in reasonable consideration of all relevant medical and other evidence you have become incapacitated to such an extent as to render you unlikely ever to engage in your own occupation,
- or
- c) you have suffered Loss of Independence.

**Definition****Total and Permanent Disablement (Any Occupation)**

Removed 'in our opinion' and re-worded some sections for clarity

**Prior to the change****Total and Permanent Disablement (Any Occupation)** means that:

- a) you have suffered the total and irrecoverable loss of the:
- sight of both eyes,
  - use of two limbs, or
  - sight of one eye and use of one limb,
- or
- b) • you have been absent from employment **solely** as a result of Injury or Sickness for an uninterrupted period of at least three consecutive months
- are attending a Medical Practitioner and have undergone all reasonable and usual treatment including rehabilitation for the Injury or Sickness, and
  - at the end of the period of three months, after consideration of all the medical evidence and such other evidence as we may require, have become **in our opinion** incapacitated to such an extent as to render you unlikely ever to engage in any business, profession or occupation for which you are reasonably suited by education, training or experience,
- or
- c) you have suffered Loss of Independence.

You will be deemed to be on 'Home Duties' if wholly engaged in full-time domestic duties in your own residence at the time of disablement.

If you are on Home Duties at the time of application and again at the time of claim, you will be assessed against the Total and Permanent Disablement (Home Duties) definition.

**Outside Super**

If your applicable definition under an Ordinary Plan is 'Any Occupation' and you return to work in your own occupation or perform any other reasonable occupation and if your earning capacity is permanently restricted due to your disablement to the extent that the Income you generate in the 12-month period following a return to work is less than 25% of the Income you generated in the previous 12 months of performing your own occupation, we will pay the TPD benefit.

**Inside Super**

Under the Superannuation Life Cover Plan, in order to meet the definitions of a), b) or c), you must also become in our opinion incapacitated as a result of your ill health to such an extent as to render you unlikely ever to gainfully engage in any business, profession or occupation for which you are reasonably suited by education, training or experience.

At least two Medical Practitioners will need to certify that you have satisfied this definition.

**After the change****Total and Permanent Disablement (Any Occupation)** means,

- a) you have suffered the total and irrecoverable loss of the:
- sight of both eyes,
  - use of two limbs, or
  - sight of one eye and use of one limb,
- or
- b) solely as a result of Injury or Sickness,
- you have been absent from employment for an uninterrupted period of at least three consecutive months, and
  - you attend a Medical Practitioner and have undergone all reasonable and usual treatment prescribed by them, including (where appropriate) rehabilitation for the Injury or Sickness, and
  - at the end of the period of three months, in reasonable consideration of all medical and other evidence, you have become incapacitated to such an extent as to render you unlikely ever to engage in any business, profession or occupation for which you are reasonably suited by education, training or experience
- or
- c) you have suffered Loss of Independence.

You will be deemed to be on 'Home Duties' if wholly engaged in full-time domestic duties in your own residence at the time of disablement.

If you are on Home Duties at the time of application and again at the time of claim, you will be assessed against the Total and Permanent Disablement (Home Duties) definition.

**Outside Super**

We will pay the TPD benefit if you meet the first two bullet points in definition b) and at the end of the three-month period and in reasonable consideration of all relevant medical and other evidence, your earning capacity is permanently restricted due to your disablement to the extent that the Income you would generate in a 12-month period in your own occupation or in any business, profession or occupation for which you are reasonably suited by education, training or experience is less than 25% of the Income you generated in the previous 12 months of performing your own occupation.

**Inside Super**

Under the Superannuation Life Cover Plan, you will also need to meet a condition of release, as required under superannuation law, in order to have the benefit paid to you. This means that the trustee must be reasonably satisfied that your ill health makes it unlikely that you will engage in gainful employment for which you are reasonably qualified by education, training or experience.

Depending on your circumstances, you may also need to meet the tax definition of 'disability superannuation benefit' in order to receive your benefit payment with concessional tax treatment.

You will be requested to provide medical reports from two legally qualified medical practitioners who have both certified that, because of the ill health, it is unlikely that you can ever be gainfully employed in a capacity for which you are reasonably qualified because of education, experience or training. If these are not provided, it may take the trustee longer to determine whether you have met a condition of release, and it may affect how the benefit you receive is taxed.

**Definition****Prior to change****After change****Inside Super**

Under the Superannuation Life Cover Plan, you must also become in our opinion incapacitated as a result of your ill health to such an extent as to render you unlikely ever to gainfully engage in any business, profession or occupation for which you are reasonably suited by education, training or experience. To assist in our determination, at least two Medical Practitioners will need to certify that you have satisfied this definition.

**Inside Super**

Under the Superannuation Life Cover Plan, you will also need to meet a condition of release, as required under superannuation law, in order to have the benefit paid to you. This means that the trustee must be reasonably satisfied that your ill health makes it unlikely that you will engage in gainful employment for which you are reasonably qualified by education, training or experience.

Depending on your circumstances, you may also need to meet the tax definition of 'disability superannuation benefit' in order to receive your benefit payment with concessional tax treatment.

You will be requested to provide medical reports from two legally qualified medical practitioners who have both certified that, because of the ill health, it is unlikely that you can ever be gainfully employed in a capacity for which you are reasonably qualified because of education, experience or training. If these are not provided, it may take the trustee longer to determine whether you have met a condition of release, and it may affect how the benefit you receive is taxed.

**Medical Practitioner definition**

Remove 'acceptable to us' and 'We reserve the right to take advice from an independent Medical Practitioner'

**Medical Practitioner** means a legally qualified and registered doctor of medicine acceptable to us, other than the Policy Owner or you, or a family member, business partner, Employee, work colleague or employer of either the Policy Owner or you. We reserve the right to take advice from an Independent Medical Practitioner.

**Medical Practitioner** means a legally qualified and registered doctor of medicine, other than the Policy Owner or you, or a family member, business partner, Employee, work colleague or employer of either the Policy Owner or you.

**Normal Domestic Duties**

**Normal Domestic Duties** means the household duties normally performed by a person who remains at home completing full-time unpaid domestic duties. It does not include a person working in a regular occupation including part time and/or paid voluntary work that provides an Income.

Normal domestic duties specifically include:

- cooking and preparing meals – meaning the ability to prepare meals using kitchen appliances
- cleaning the home – meaning the ability to carry out the basic internal household chores using domestic equipment such as a vacuum and mop
- washing clothes – meaning the ability to do the household's laundry to a basic standard
- shopping for groceries – meaning the ability to purchase general household grocery items, and
- caring for Children – meaning the ability to care for and supervise Children (where applicable).

You will not be considered to be unable to carry out all Normal Domestic Duties if you are able to perform any one of these duties.

**Normal Domestic Duties** means the following household duties:

- cooking and preparing meals – meaning the ability to prepare meals using kitchen appliances
- cleaning the home – meaning the ability to carry out the basic internal household chores using domestic equipment such as a vacuum and mop
- washing clothes – meaning the ability to do the household's laundry to a basic standard
- shopping for groceries – meaning the ability to leave the home to purchase general household grocery items, and
- caring for Children – meaning the ability to care for and supervise Children (where applicable).

You will be considered able to carry out all Normal Domestic Duties if you are able to perform any one of these duties to the standard that they would ordinarily be performed by a person completing unpaid domestic duties.

**Partial Disablement – Income Protection Capability Clause**

Removed 'in determining your capability'

In determining what you could reasonably be expected to earn if you were working to the extent of your capability, we will take into account available medical evidence (including the opinion of your Medical Practitioner) and any other relevant considerations directly related to your medical condition (including information provided by you).

Your capability (having regard to your Injury or Sickness) and what you could reasonably be expected to earn if you were working to the extent of your capability will be determined by taking into account available medical evidence (including the opinion of your Medical Practitioner) and any other relevant considerations directly related to your medical condition (including information provided by you).

**Medical Definition****Prior to change****After change****Occupationally Acquired Hepatitis B or Hepatitis C Infection**

Removed 48 hour reporting requirement and clarified the vaccination exclusion

**Occupationally Acquired Hepatitis B or Hepatitis C Infection** is a crisis event only covered by the Crisis Recovery benefit under the PLUS Optional benefit under the Income Protection Plan.

The Crisis Recovery benefit will be payable if you become infected with Hepatitis B or Hepatitis C as a result of an occupational accident. An occupational accident means an accident that happens whilst you are performing the usual duties of your normal occupation and involves contact with a body substance which puts you at risk of transmission of the infections.

This benefit will only be paid if all the following conditions for payment are satisfied. We require that:

- you report the accident to us within 48 hours after it happens
- you are tested for infections within 48 hours after the accident and the results are negative
- a Medical Practitioner diagnoses you to be:
  - positive to Hepatitis C within 180 days after the accident, or
  - positive to Hepatitis B within 180 days after the first diagnosis
- you comply with all infection control precautions that apply
- you are vaccinated or immunised for the infections as required by us, and
- all tests be carried out according to the procedures we specify.

**Occupationally Acquired Hepatitis B or Hepatitis C Infection** is a crisis event only covered by the Crisis Recovery benefit under the PLUS Optional benefit under the Income Protection Plan.

The Crisis Recovery benefit will be payable if you become infected with Hepatitis B or Hepatitis C as a result of an occupational accident. An occupational accident means an accident that happens whilst you are performing the usual duties of your normal occupation and involves contact with a body substance which puts you at risk of transmission of the infections.

This benefit will only be paid if all the following conditions for payment are satisfied. We require that:

- you are tested for infections after the accident and the results are negative
- all relevant tests are be carried out according to the reasonably necessary procedures we specify
- any accident that potentially may give rise to a claim must be treated in accordance with the relevant infection control guidelines
- a Medical Practitioner diagnoses you to be:
  - positive to Hepatitis C within 180 days after the accident, or
  - positive to Hepatitis B within 180 days after the accident and still be positive within 180 days after the first diagnosis
- you comply with all infection control precautions that apply
- you are vaccinated or immunised for the infections where required as per the AMA Guidelines for medical health workers, and
- all tests be carried out according to the procedures we specify.

We won't pay where the Life Insured has elected not to take available mandatory medical treatment which, if taken, would have prevented the infection with Hepatitis B and/or hepatitis C.

**Out of Hospital Cardiac Arrest**

Re-labelled and removed requirement 'occurs outside of hospital' and added 'reasonably'

**Out of Hospital Cardiac Arrest** means sudden loss of heart function due to:

- cardiac asystole, or
- ventricular fibrillation with or without ventricular tachycardia.

Which:

- occurs outside of hospital
- is not associated with any medical procedure, and
- is documented by an electrocardiogram (ECG).

If an ECG is not available, we will consider other evidence acceptable to us, which unequivocally confirms a cardiac arrest has occurred. Such evidence may include Automated External Defibrillator (AED) data, ambulance or hospital medical records, documented administration of cardiopulmonary resuscitation (CPR) by an attending ambulance officer or hospital clinical staff.

Cardiac arrest secondary to alcohol or drug abuse is excluded.

**Cardiac Arrest** means sudden loss of heart function due to:

- cardiac asystole, or
- ventricular fibrillation with or without ventricular tachycardia.

Which:

- is not associated with any medical procedure, and
- is documented by an electrocardiogram (ECG).

If an ECG is not available, we will reasonably consider other evidence which unequivocally confirms a cardiac arrest has occurred. Such evidence may include Automated External Defibrillator (AED) data, ambulance or hospital medical records, documented administration of cardiopulmonary resuscitation (CPR) by an attending ambulance officer or hospital clinical staff.

Cardiac arrest secondary to alcohol or drug abuse is excluded.

**Surgery to the Aorta**

Clarified that it is the actual undergoing of surgery

**Surgery to the Aorta** means surgical repair to the aorta to correct any narrowing, dissection or aneurysm of the thoracic or abdominal aorta but does not include angioplasty or non-surgical techniques

**Surgery to the Aorta** means the actual undergoing of a procedure to surgical repair the aorta to correct any narrowing, dissection or aneurysm of the thoracic or abdominal aorta but does not include angioplasty or non-surgical techniques.

**Change**

Removed all instances of: **'and we confirm the diagnosis'** throughout the PDS

Examples are shown for illustration

**Prior to change****Total and Permanent Disablement****Day 1 TPD**

To qualify for a TPD benefit payment you must be absent from your employment for an uninterrupted period of three consecutive months. However, we will remove this qualifying period under the Day 1 TPD benefit if you suffer one of the following 'Other Serious Crisis Events', **and we confirm the diagnosis:**

- Alzheimer's Disease
- Blindness
- Diplegia
- Hemiplegia
- Loss of Hearing
- Motor Neurone Disease
- Multiple Sclerosis
- Muscular Dystrophy
- Paraplegia
- Parkinson's Disease, or
- Quadriplegia.

See the medical definitions above in Section 12.2.

Please note that you will still need to satisfy all other requirements of the TPD definition shown on your Policy Schedule to qualify for the Day 1 TPD benefit.

The Day 1 TPD benefit is not available under the TPD (Loss of Independence) definition that applies to Occupation Category E.

**Life Cover or Accidental Death Cover****Complimentary Family Final Expenses**

To be eligible, your Child must be aged from two to 17 years old at the date of their passing away, or the positive diagnosis of a Terminal Illness **that we have confirmed.** You do not need to advise us of the names of your Children unless you are making a claim under this benefit.
