## Registering other Adviser Codes

If you would like to add more Adviser codes follow these steps

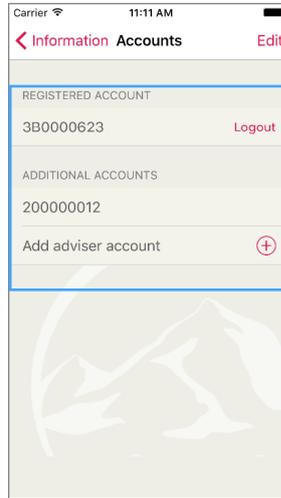

- 1 Click on the information icon.
- 2 Click on the adviser code you have already registered with.
- 3 Click on 'Add adviser account'.

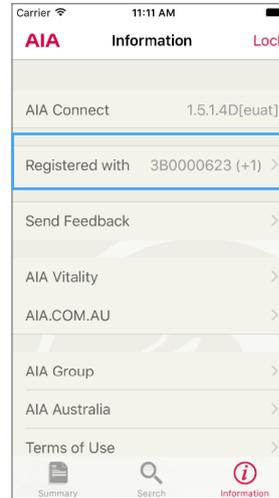

## Registering other Adviser Codes Continued...

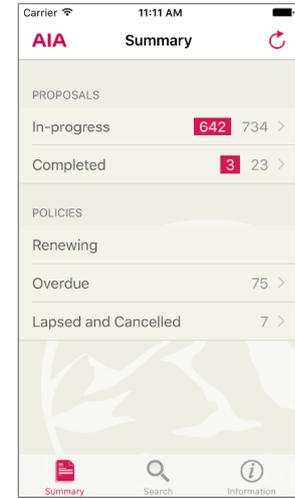

1 Enter the next adviser code details and press 'Register'.

2 The new adviser code is now added. If you need to register more adviser codes, just click on 'Add adviser account' and repeat the process until they are all registered.

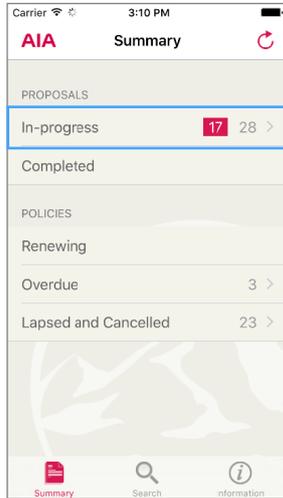

3 Navigate back using the arrow on the top left of the previous screen  to see how many adviser codes have been registered.

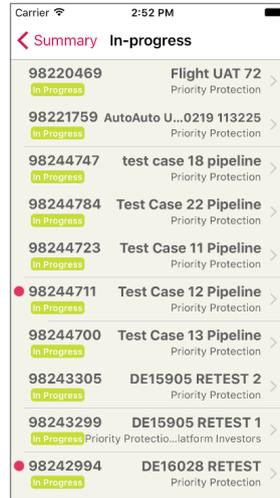

4 A summary of proposal and policy details will show in a single view for all adviser codes registered.

## AIA Connect updates you on proposals as they progress

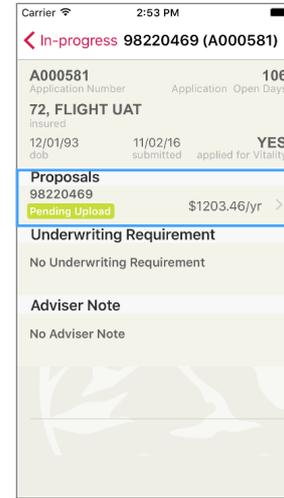

- 1 Select the 'In-progress' option from the main menu above.

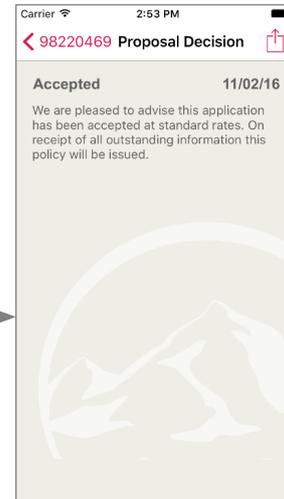

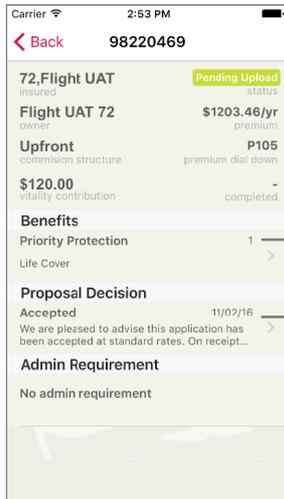

- 2 All proposals currently being processed will be displayed, with the most recent first. Any records with a red dot have updates that have not been viewed by the adviser.

You can also use the **search function** (see page 6).

- 3 Select a record from the previous screen to see a summary of the application details, plus underwriting and administration requirements. Click on 'Proposals' to see details of all proposals attached to an application.

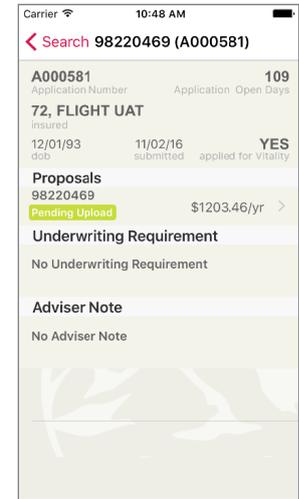

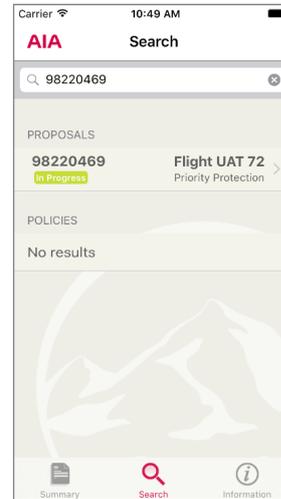

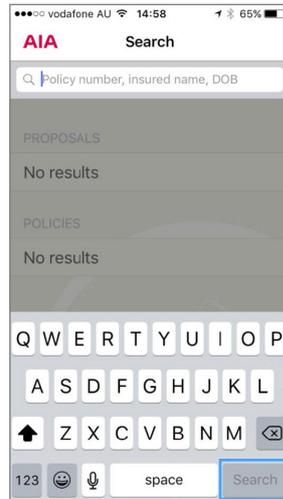

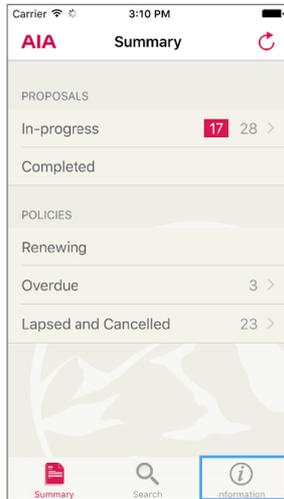

## Proposal Report Continued...

- 4 Clicking into a proposal will show the above screen.
- 5 Clicking on the 'Benefits' tab will show details of the cover and premiums for a particular proposal attached to an application.
- 6 If a decision has been made on a proposal it will be displayed here.

## Search

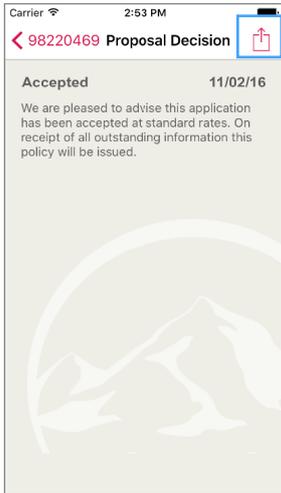

### How to search for proposals, policies or clients

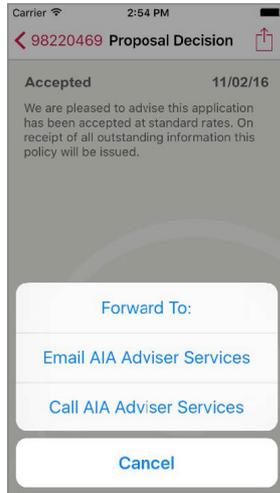

- 1 Click on the Search icon on the home page.
- 2 Enter search details to find any proposal, policy or client and then press the Search button.
- 3 Search results will display either as a single record or listing (depending on search criteria).
- 4 Details of the record can now be viewed.
